The answer is not always. Citation conventions in New York are the result of longstanding tradition in practice, which often conflict with both The Bluebook and the ALWD Manual. For example, in order to determine the hierarchy of cited authorities, New York practitioners specify the court and jurisdiction of the court being cited. Thus,

(Educational Piano Library). Includes a one-year practice planner with lesson assignment pages, a dictionary of music terms, a music history timeline, keyboard guide, and staff paper.

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.
