E. Lockhart. A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable." —John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another

element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. Scar Tissue is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

Ethan Damont's legendary gambling skills have earned him a place at the gaming tables of London's most exclusive homes. He has used his dubious place in Society to aid The Liar's Club. But his latest favor to the group has not only put his life in danger—it has thrown him together with the woman who tempts him to forgo his rakish ways. Lady Jane Pennington is the ravishing niece of a suspected traitor. Now it's Ethan's job to discover if the woman he finds irresistible is naïve to her uncle's deceit—or guilty of treason against the Crown... Jane can barely wait for the Season to end—until she meets Ethan Damont. After a humiliating first encounter, Jane expects a scoundrel like Ethan to joke at her expense. Instead, he behaves like a perfect gentleman. But just as Jane finds herself overcome by her desire for Ethan, he takes her captive.
