Labor feminism is a term used for a movement in the United States that emerged after women gained the right to vote in the 1920s. Labor feminists advocated for protectionist legislation and special benefits for women. They helped pass state laws regulating working conditions for women, expanded women's participation in unions, and organized to oppose the Equal Rights Amendment.

In 1886, newly-freed black women in Jackson, Mississippi formed a union and went on strike to demand higher wages for their work at laundresses, according to United Healthcare Workers West's timeline of women's contributions to the labor movement. But even though women had been contributing to the movement for 50 years, in 1886, the American Federation of Labor (AFL) was founded and its first president, Samuel Gompers, denied membership to women.
