The service manuals describe the repair of cars with gasoline and diesel engines. In 2003, Grandis replaced the outdated single-volume Mitsubishi Space Wagon, but did not become its direct replacement, because the image, concept and positioning of these cars are significantly different. The car is made in a new corporate style of the company, developed by a team of designers led by Olivier Boule.

Mitsubishi Galant. Galant was a family car made by Mitsubishi during a production period that spanned over five decades. During this long run, it ended up with over 5 million sold units. It started out as a compact, but grew to be a mid-size car with time. The name Galant comes from the French word for chivalrous.
