Teacher. This practical resource shows teachers how to be effective and have a life! Author and educator Maia Heyck-Merlin explores the key habits of Together Teachers—how they plan ahead, organize work and their classrooms, and how they spend their limited free time. The end goal is always strong outcomes for their students. So what does Together, or Together Enough, look like? To some teachers it might mean neat filing systems. To others it might mean using time efficiently to get more done in fewer minutes. Regardless, Together Teachers all rely on the same skills. In six parts, the book clearly lays out these essential skills. Heyck-Merlin walks the reader through how to establish simple yet successful organizational systems. There are concrete steps that every teacher can implement to achieve greater stability and success in their classrooms and in their lives. Contains templates and tutorials to create and customize a personal organizational system and includes a companion website: [www.thetogetherteacher.com](http://www.thetogetherteacher.com) Recommends various electronic or online tools to make a teacher's school day (and life!) more efficient and productive Includes a Reader's Guide, a great professional development resource; teachers will answer reflection questions, make notes about habits, and select tools that best match individual needs and preferences Ebook customers can access CD contents online. Refer to the section in the Table of Contents labeled, Download CD/DVD Content, for detailed instructions.

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival--demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explaining appropriate practice.

An easy-to-read guide offers an introduction to effective classroom management, including tips on setting up a classroom, establishing routines, and pacing the curriculum.
