Report on Supplementary ESL Reading Course

The ESL Reading course described in this report was conducted for Latin American scholarship students during the summer of 1973 at the School for International Training. Since it was intended to be a supplement to the regular classes of these students, every effort was made to allow the course direction to develop according to the needs of the participants.

Reading Comprehension Worksheets

No coursebook will ever be 100% relevant to our teaching context or our learners' interests so supplementary resources will always be necessary. Authentic materials also offer the advantage of exposing our classes to 'real English' and building the confidence that in our students that they can interact with language from outside the classroom.

---

Bringing the outside in – choosing supplementary resources ...

That is why we need supplementary materials. Supplementary materials – what's that? Teachers usually use classic ones : story books for primary learners, alternative coursebooks, board games created by teachers, crossword puzzles, songs, hand – outs summarizing grammar information, information gap worksheet, books of conversation topics, graded readers, practice tests, etc.

Just to use for ideas. I have copied and pasted the last, general comment that I used on the end of year report to parents. Might just give NQTs a few ideas if you're stuck. They are generally very positive in line with the expectations of my current school. Also some general strengths and targets (again which my current report form asks for).
