rhetorical studies. Rhetoric in Detail shows how a variety of techniques from discourse analysis can be useful in studying such concerns as agency, legitimation, controversy, and style, and how concepts from rhetoric including genre and figuration can enrich the work of discourse analysts. The authors ' research sites range from government commissions, political speeches, newspaper reports and letters to interviews and conversations in beauty salons and online. Methodological overviews interspersed throughout survey critical discourse analysis, interactional sociolinguistics, grounded theory, computer-aided corpus analysis, narrative analysis, and participant observation and provide suggestions for further

media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV-everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary, often named "post-race" society.
