This sequel doesn't veer away much from what made its predecessor the hottest thing since, well, Guitar Hero, but along with all new songs, Rock Band 2 features newly-designed instruments (including a wireless and quieter drum kit); new solo and multiplayer game modes (such as a "Battle of the Bands" online competition); unlockable characters, instruments and venues; and the ability to import the original Rock Band tracks and paid downloads. Speaking of which, gamers can once again download ...
