Transfer Pricing Round Up Of Transfer Pricing

Welcome to our latest round-up on recent international transfer pricing developments. The key recent development was the European Commission's (EC) final decision in the case regarding UK CFC finance company exemption. The EC found that the finance company exemption within the UK CFC rules is partly justified. The UK government is now required to initiate recovery of the alleged State aid irrespective of any appeal against the decision.

Round Up Of Transfer Pricing News Ey - alfagiuliaforum.com

Transfer pricing helps in reducing duty costs by shipping goods into countries with high tariff rates at minimal transfer prices so that the duty base of such transactions is fairly low. Reducing income and corporate taxes in high tax countries by overpricing goods that are transferred to countries with lower tax rates help companies obtain higher profit margins.
