Rules of Play: game design fundamentals by Katie Salen and Eric Zimmerman

(PDF) Rules of Play: game design fundamentals by Katie ...

Overview. Rules of Play expresses the perspective that a theoretical framework for interactive design has not yet been established. This is not the first time this has been recognized or explored, but is explored in a fresh way in great detail - with one review stating that: "the book manages to bridge the emerging field of game studies methodologies and design theory".

Rules of Play - Wikipedia

Rules should follow a logical order, typically: Brief introduction - what the object of the game is and perhaps a funny intro to the game for party games. Set-up - how to lay-out the cards and/or board before you start playing. Turn by Turn Instructions - include instructions on what actions to take ...

Innovative way to write game rules | Game rule design service

All games should begin with a design treatment, i.e., a quick discussion of your product's unique features and target audience. Then, you should move to a preliminary design, discussing the game's rules, content and behaviour in a purely qualitative way. This document should be circulated and discussed as widely as possible given the situation.
