Safe Haven is a 2013 American romantic drama fantasy thriller film starring Julianne Hough, Josh Duhamel and Cobie Smulders. The film marks the final film role for actor Red West. It was released theatrically in North America on February 14, 2013. The film was directed by Lasse Hallström, and is an adaptation of Nicholas Sparks' 2010 novel of the same name.

In a small North Carolina town, a mysterious and beautiful woman running from her past slowly falls for a kind-hearted store owner . . . until dark secrets begin to threaten her new life. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden

# Get Free Safe Haven An Age Play Ing Romance

arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her . . . a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards . . . and that in the darkest hour, love is the only true safe haven.

A Best Book of the Year: The Washington Post • Chicago Tribune • NPR • Vogue • Elle • Real Simple • InStyle • Good Housekeeping • Parade • Slate • Vox • Kirkus Reviews • Library Journal • BookPage Longlisted for the 2020 Booker Prize An Instant New York Times Bestseller A Reese's Book Club Pick "The most provocative page-turner of the year."  
--Entertainment Weekly "I urge you to read Such a Fun Age."  
--NPR A striking and surprising debut novel from an exhilarating new voice, *Such a Fun Age* is a page-turning and big-hearted story about race and privilege, set around a young black babysitter, her well-intentioned employer, and a surprising connection that threatens to undo them both. Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their

# Get Free Safe Haven An Age Play Ing Romance

local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, *Such a Fun Age* explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.

This is the first academic monograph to focus exclusively on issues of race, ethnicity, whiteness and multiculturalism at the English seaside. The book calls for acknowledgement of the racialised nature of this environment, and proposes that its distinctive spaces, places, traditions and narratives should be included within broader analyses of race in contemporary Britain. Introducing the concept of 'coastal liquidity' to explain shifting ethno-racial demographics, migratory politics and spatial dynamics at the edge of the sea, along with the relative im/mobilities of the minority ethnic communities who move and reside there, the author provides a relational exploration of seaside experiences: both as a locus of racialised categorisation, exclusion and subjugation, and one of resistance, conviviality and intercultural exchange. Combining theoretical insight and empirical fieldwork, the book disrupts dominant thinking that fixes ontologically

# Get Free Safe Haven An Age Play Ing Romance

minority ethnic bodies to urban spaces, and overcomes their erasure and silencing from the seaside landscapes of the popular imagination.

Aimed at teachers and future teachers of children from birth through age eight, this book examines the positive effects of play on children's social/emotional, cognitive, and physical development. You will learn how to assess a child's learning through play, making play a more practicable teaching mechanism. You also will learn step-by-step recommendations for establishing a classroom that promotes play and how to develop play-based programs for children in

# Get Free Safe Haven An Age Play Ing Romance

specific age groups: infants and toddlers, preschoolers, kindergarten children, and primary-age children. Incorporating play into the program of special needs children is addressed in each age-specific section and in a separate chapter.

This volume investigates the diverse applications and conceptions of the term 'The Golden Age'. The phrase resonates with the theme of nostalgia, which is popularly understood as a wistful longing for the past, but which also denotes homesickness and the unrecoverability of the past. While the term 'Golden Age' typically conjures up idealised visions of the past and gestures forward to utopian visions of future golden ages, the idea of nostalgia is suggestive of a discontented present. The Golden Age and nostalgia are therefore related ideas, but are also partly in conflict with one another, as many nostalgic sentiments are not idealised, and may indeed be dark, ironic or self-aware. There are, of course, many other ways to characterise the relationship between the Golden Age and nostalgia, and the tension between the two can produce myths and romantic idylls, or, in religious terms, images of pre-lapsarian innocence, or dogmas relating to values associated with childhood. The Golden Age is also often used to refer to specific, respected periods of cultural production in all kinds of literature and visual media. Indeed, nearly every period, genre, nation, and cultural form has some kind of mythic, often illusory, Golden Age against which it is defined, and in which nostalgia often plays a part. This collection interrogates the notion of the Golden Age and its connection to feelings of nostalgia from a range of interdisciplinary perspectives, with a strong focus on the relationship between word and image. It will interest

# Get Free Safe Haven An Age Play Ing Romance

scholars working on the subject of the Golden Age/nostalgia, particularly in English literature, film studies, comics studies, history, and the fine arts.

Superbly tense and oozing with atmosphere, Anna Downes's debut, *The Safe Place*, is the perfect summer suspense, with the modern gothic feel of Ruth Ware and the morally complex family dynamics of Lisa Jewell. Welcome to paradise...will you ever be able to leave? Emily is a mess. Emily Proudman just lost her acting agent, her job, and her apartment in one miserable day. Emily is desperate. Scott Denny, a successful and charismatic CEO, has a problem that neither his business acumen nor vast wealth can fix. Until he meets Emily. Emily is perfect. Scott offers Emily a summer job as a housekeeper on his remote, beautiful French estate. Enchanted by his lovely wife Nina, and his eccentric young daughter, Aurelia, Emily falls headlong into this oasis of wine-soaked days by the pool. But soon Emily realizes that Scott and Nina are hiding dangerous secrets, and if she doesn't play along, the consequences could be deadly.

The sixth edition of *Occupational Therapy for Children* maintains its focus on children from infancy to adolescence and gives comprehensive coverage of both conditions and treatment techniques in all settings. Inside you'll discover new author contributions, new research and theories, new techniques, and current trends to keep you in step with the changes in pediatric OT practice. This edition provides an even stronger focus on evidence-based practice with the addition of key research notes and explanations of the evidentiary basis for specific interventions. Unique Evolve Resources website reinforces textbook content with video clips and learning activities for more comprehensive learning. Case studies help you apply concepts to actual situations you
