Bhagavan Sathya Sai Baba has been a name to conjure with in different parts of the world. An enchanting bhajan composer and singer, a world teacher, and unexcelled educator of the vital, a Yogishwara pressing an amazing variety of talent and capacity into service for the fulfillment of his mission, a kalpataru or a wish-fulfilling tree for his devotees, the very avatar of Love, the voice of one ' s own innermost heart speaking to each individual externally, a universal presence to be felt and known, a promoter of the unity of world religions and of a philosophy that embraces Matter and Spirit and the inaugurator of a new social order, he is easily the most colourful and many faceted prophet that modern India has produced. Several antinomies meet and mingle and are reconciled in his personality - the most significant pair being one of Solitude and Multitude. Thousands of Sathya Sai Baba Samitis function in all parts of India and there are hundreds of them in the U.S.A., U.K., and several other parts of the world. Crowds collect in their lakhs to hear him in India. What is the secret of this charismatic power that Bhagavan Baba wields wherever he goes? Baba declared in the Sri Sathya Sai World Conference held in Bombay in 1968 that the mission for which he has come is the spiritual regeneration of India and of the mankind through her. And he has said that he will not cease from his labours till his mission is fulfilled.

Born to a poor family in the village of Puttaparthi in southern Andhra Pradesh, Sathyanarayan Raju was a bright, talented and confident boy whose charitable nature and religiosity belied his tender age. Deeply suspicious of his spiritual precociousness, his father made him go through a traumatic exorcism. But the boy already had a devoted band of followers and, when he was thirteen, announced that he was the Shirdi Sai Baba reborn. Today, Sri Sathya Sai Baba has an estimated thirty million followers worldwide. Acclaimed travel writer and self-described 'spiritual nomad' Bill Aitken tells us why so many 'royalty, wealthy industrialists, influential politicians, as well as the poor' flock to Puttaparthi. Sai Baba's message, he reveals, can be summed up in one word: love. It is as simple as it is profound, not unlike how his devotees see the Sai himself"the embodiment of deep spirituality wedded to simplicity, elegance and grace. Yet, the Sai phenomenon is less about producing vibhuti from thin air and more about modern-day miracles. Miracles like free schools and universities, super-speciality hospitals which provide free treatment to all and revolutionary projects like the one which has brought drinking water to a million villagers in drought-prone Rayalseema. Aitken's study is neither a hagiographic exercise in myth-making nor a dry, objective account of the Sai's life. While never shy of expressing his deep love and reverence for Sai Baba, he squarely confronts the controversies and criticisms which inevitably dog those who claim acquaintance with the holy.
