Like the leadership-style questions, these sales manager interview questions address specific parts of the position and situations a sales manager candidate would face day-to-day. Sometimes role-based questions explore how a candidate feels about the duties of a sales manager and how he or she balances the responsibilities involved.

In the interview, I learned it was a sales position. 90% of the time the interviewer talked about the company rather than asking about my experience. He kept mentioning the possibility of making a lot of money in the future but in the meantime, you will not have monthly salary only the commission you gain from building your client base.
