ATTACHMENT REPORT

Industrial attachments are a major factor in the Faculty of Engineering. It is mandatory and helps a student gain experience in their various fields of study. Students are required to acquire additional practical experience to supplement their course of study in the university.

Attachment report Victor - SlideShare

Writing an attachment report or internship report can seem like a very tough job, at least from most people ' s point of view. However, just like anything in this world, it is hard until you do it. An industrial attachment report is simply that; a written account of the observation and activities of the attachment.
