Sample 4th grade science fair research paper

The paper will contain your results and your hypothesis. To learn how to write a science fair research paper, get a good sample to see what you need to include in your project. This kind of paper is not the same as others since you need to provide data in terms of what test you are applying and the findings you are getting. You will need to conduct an experiment and then offer your summary.

How to write a science fair research paper - TestMyPrep.com

For most science fair projects and science experiments, this is the best format. Reports for science fairs need the entire project written out from start to finish. Your report should include a title page, statement of purpose, hypothesis, materials and procedures, results and conclusions, discussion, and credits and bibliography.
