The author offered me a chance to review the whole trilogy and host a giveaway as well. After reading the blurbs I was excited to get a chance to review these Christian Fiction books on my blog. Sapphire Ice begins the trilogy with Robin's story.

It is actually a four book set with a  
`novella' called `Far Above Rubies'  
thrown in for good measure between  
Robin's and Maxine's stories. Sapphire  
Ice is the story of the eldest, Robin.  
She was her sisters' protector when  
they were children and continues this  
on into adult life, sometimes going  
overboard with her stubbornness and  
self reliance.

Sapphire Ice is definitely a character-driven story, which was one of the things I loved most about it. I liked how clearly the gospel was presented; it felt very much like an integral part of the story rather than just something "tacked on".
