Chilton's Saturn coupe, sedan, wagon 1991-93 repair manual ...

After years of research and innovation, Saturn's first car, the S-Series, debuted as a 1991 model. It was a compact car with then-futuristic styling, and it was nothing like anything an American brand had ever produced before. The body panels were plastic, rather than metal, enabling the car to absorb runaway shopping carts (and even minor parking lot bumps) undamaged. The body was a spaceframe design, which was both lightweight and strong.

The Sad Story of the Saturn S-Series - Autotrader

The Saturn L series is a line of automobiles, sedans and station wagons that were made by Saturn Corporation in Wilmington, Delaware.. Poor sales of the L-series cars caused GM to cancel the line for 2005. The first L-series car was built in May 1999, and the last one rolled off the Wilmington line on June 17, 2004, after a short run of 2005 models.
