Our storage ancillaries are suitable for storing scaffold tube, system scaffold, fence panels and scaffold boards, along with other scaffolding products.

Scaffold Storage for Sale and Hire from Generation UK

First up, a storage system... I decided to go with scaffolding tubing and planks as the base material. Scaffolding by nature is designed to assemble/disassemble easily, is strong and would give the piece a unique look. It is also modular, meaning you can always add to the unit if you require more space.

Scaffold Storage System - 3 Steps (with Pictures) ...

Scaffold furniture: Build your own storage units When he moved into his unfurnished flat in 2014, Bristol-based design engineer Liam decided to build his own storage system using scaffolding planks, tubes and fittings. Liam was looking for a system that would hold his clothes, sports equipment and tools, while acting as a working area too.

DIY scaffolding storage units: Plans and photos ...

The storage of your scaffolding equipment is primarily to protect it from the elements, which will ensure that it lasts longer. Find a storage area that is large enough to house all of the equipment together, providing space for large items (like planks and poles) as well as small parts (like screws and bolts).

How To Store Scaffolding | DoItYourself.com

Scaffolding Storage Systems Scaffolding, if maintained, dismantled, stored and transported correctly, can last for decades. If scaffolding is not maintained and stored using the correct type of storage, the lifespan of the equipment can be drastically reduced.

Scaffolding Storage Systems: Made to Measure at ...

Scaffolding stillages, also known as post pallets, are re-enforced with a central bar & ideal for the safe storage and transportation of items such as scaffolding tube. They are manufactured in the UK, meaning that they meet the highest quality standards.

Scaffolding Stillages & Post Pallets | Safe Fence

Standard scaffold towers are suitable for indoor and outdoor use, providing a secure and stable platform to carry out work in the garden, home or on a building site. The scaffold platforms are lightweight, mobile and compact, making them easy to transport, and enabling them to fit into small vans and estate cars.
