Reading Street - Elementary Reading Comprehension Program Scott Foresman Reading Street (c) 2008 is an all-new reading instruction program for Grades PreK-6. Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students. In addition, Reading Street prioritizes skill instruction at each grade level, so teachers can be assured they will focus on the right reading skill, at the right time, and for every student.
