The Secret is a feature length movie presentation which reveals The Great Secret of the universe. It has been passed throughout the ages, traveling through centuries... This is The Secret to everything - the secret to unlimited joy, health, money, relationships, love, youth: everything you have ever wanted.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances.

And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

You are meant to have an amazing life! This is the handbook to the greatest power in the Universe - The Power to have anything you want. Every discovery, invention, and human creation comes from The Power. Perfect health, incredible relationships, a career you love, a life filled with happiness, and the money you need to be, do, and have everything you want, all come from The Power. The life of your dreams has always been closer to you than you realized, because The Power -to have everything good in your life - is inside you. To create anything, to change anything, all it takes is just onething...THE POWER.

Strangers flock to Miracle Springs hoping the natural hot springs, five-star cuisine, and renowned spa can cure their ills. If none of that works, they often find their way to Miracle Books, where, over a fresh-baked “ comfort ” scone, they exchange their stories with owner Nora Pennington in return for a carefully chosen book. That ’ s Nora ’ s special talent—prescribing the perfect novel to ease a person ’ s deepest pain. So when a visiting businessman reaches out for guidance, Nora knows exactly how to help. But before he can keep their appointment, he ’ s found dead on the train tracks. Stunned, Nora forms the Secret, Book, and Scone Society, a group of damaged souls yearning to earn redemption by helping others. To join, members must divulge their darkest secret—the terrible truth that brought each of them to Miracle Springs in the first place. Now, determined to uncover the truth behind the businessman ’ s demise, the women meet in Nora ’ s cozy bookstore. And as they untangle a web of corruption, they also discover their own courage, purpose, and a sisterhood that will carry them through every challenge—proving it ’ s never too late to turn the page and start over... “ Adams kicks off a new series featuring strong women, a touch of romance and mysticism, and both the cunning present-day mystery and the slowly revealed secrets of the intriguing heroines ’ pasts. ” —Kirkus Reviews
