Editions of Seeing & Writing by Donald McQuade
Seeing & Writing was the first 4-color composition reader to truly reflect the visual in our culture and in composition. Instructors who have used the past two editions tell us that this textbook helped them envision a new kind of composition class, based on a simple grounding principle: Careful seeing leads to effective writing. Students read this book when they don't have to.

15 Responses to Analysis of Seeing and Writing. Eric Guerron says: February 11, 2011 at 10:14 pm. Annie Dillard's thesis is that people should notice the small things in life. Many people go through their lives going from point A to point B, but they fail to realize all of the gifts that the world has to offer. They are missing all of the exciting opportunities and challenges. Many people ...
