'Sentencing is one of the key parts of the Criminal Justice System. Ashworth's scholarly exposition of the context of sentencing, and of the many factors which influence the sentences that are passed, offers a very readable account of this complex subject. It is a 'must-read' text for all students of sentencing.'

Sentencing and Criminal Justice by Andrew Ashworth

The term sentence in law refers to punishment that was actually ordered or could be ordered by a trial court in a criminal procedure. A sentence forms the final explicit act of a judge-ruled process as well as the symbolic principal act connected to their function. The sentence can generally involve a decree of imprisonment, a fine, and/or punishments against a defendant convicted of a crime.
