Services Marketing | McGraw Hill Higher Education

Services marketing first came to the fore in the 1980 's when the debate started on whether marketing of services was significantly different from that of products so as to be classified as a separate discipline. Prior to this, services were considered just an aid to the production and marketing of goods and hence were not deemed as having separate relevance of their own.

Services Marketing - Definition and its Importance

The Second European Edition of Services Marketing: Integrating Customer Focus Across the Firm by Wilson, Zeithaml, Bitner and Gremler uniquely focuses on the development of customer relationships through quality service. Reflecting the increasing importance of the service economy, Services Marketing is the only text that put the customer's experience of services at the centre of its approach ...

Successful businesses recognize that the development of strong customer relationships through quality service (and services) as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, Services Marketing: Integrating Customer Focus across the Firm provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research, and using up-to-date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes:

- New content related to human resource strategies, including coverage of the role of robots and chatbots for delivering customer-focused services.
- New coverage on listening to customers through research, big data, netnography and monitoring user-generated content.
- Increased technology, social media and digital coverage throughout the text, including the delivery of services using mobile and digital platforms, as well as through the Internet of Things.
- Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw-Hill's Connect®, the well-established online learning platform, which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

This third edition continues to give a clear analysis of what Services Marketing is all about. The book is reinforced with many illuminating case studies. What makes this new edition appealing to the readers are the reorganized chapters. Furthermore, new cases have been added and the existing cases have been updated to make the text as per the current scenario. The cases, set within the Indian context, lend a practical dimension to the subject, familiarizing the student with the developments in the Services Marketing area in India today. What is New to This Edition :

- Updated cases and figures incorporated with current data

The revised edition, with its emphasis on recent data and the contemporary Services Marketing scenario is an ideal companion for the budding managers. It should also be of great use to the practising managers attending various Management Development Programmes (MDPs) and Executive Development Programmes (EDPs).

Contributed articles.

Achieving excellence in the fast changing global scenario of business and world economic structure demands deeper insight into the quality management practices. To survive in this competitive and challenging global business arena one needs to adopt quality management strategies that incorporate the best global practices. An attempt has been made in the present book to focus on quality aspects and solutions that can enhance global business excellence.

The second edition of Services Marketing: Text and Cases takes a leap forward to develop a strategic perspective to the service marketing framework. This edition begins with an initiation into the field of services and then develops an appreciation of the service marketing system and includes five additional chapters. The focus is then directed at service strategy and the creation of sustainable differentiation. The book finally discusses the management of operational issues such as quality, demand matching, recovery and empowerment.

European economies are now dominated by services, and virtually all companies view service as critical to retaining their customers today and in the future. In its third European edition, Services Marketing: Integrating Customer Focus across the Firm provides full coverage of the foundations of services marketing, placing the distinctive gaps model at the center of this approach. Drawing on the most recent research and using up-to-date and topical examples, the book focuses on the development of customer relationships through quality service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition include:

- New content on the role of digital marketing and social media has been added throughout to reflect the latest developments in this dynamic field
- Increased coverage of Service dominant logic regarding the creation of value and the understanding of customer relationships
- New examples and case studies added from global and innovative companies including AirBnB, IKEA, Disneyland, Scandinavia Airlines, and Skyscanner

Marketing Management is designed to cater to syllabi requirements of courses on marketing. Steeped in the core concepts of marketing, the text nonetheless incorporates the latest trends in marketing and showcases many of the path breaking efforts by marketers in recent past. This thoroughly revised 6th edition includes discussion on most widely discussed topics in the subject in recent past. Alongside, the text captures the core concepts comprehensively and follows an application-based approach. Salient Features:

- New cases on leading new age organizations such as Hotstar, Oyo, Airbnb, Netflix, Amazon Prime, Uber etc.
- New sections on digital marketing, social media marketing, defining brand etc.
- Updated and detailed coverage on marketing environment, retail business model, distribution management, organization buying behavior etc.
- More engaging and logically driven revised chapter structure
- Thoroughly revised chapters focusing on how markets have evolved in recent past
