Settling the Pop Score examines the role of irony and empathy, the question of gender, race and sexuality, and the relevance of textual analysis to the study of popular music. Interpreting pop music within the framework of musicology, Hawkins helps us to understand the pleasure so many people derive from these songs.

A rewrite of Yu-Gi-Oh ARC V from the very beginning. Yuya Sakaki is just a typical teenager trying to make others smile through dueling and find his father.

Obedience training for a bully... Wade Johnson is the golden boy jock at our school, the star quarterback-- and a total jerk. He started calling me a " queer " back in ninth grade, and he and his football goons have been hassling me every day since. But now I ' ve got something to keep Wade in line-- a video that could destroy his social life and end his football playing days for good. You ' d think Wade would keep that in mind, and try to stay on my good side. Play nice. Keep the other jocks from messing with me. But Wade ' s not that smart. At school, he ' s still the same homophobic bully he ' s always been. So after school, he has to make it up to me. It ' s almost like that guy wants to be punished. First time gay BDSM high school jock slave sex story MM erotica with spanking

What ' s worse than a bully? --A bully who ' s the hottest jock in school. Wade Johnson thinks that he can get away with anything, just because he ' s the quarterback of our football team. He caught me staring at him during gym class Freshman year, and branded me a " queer " . He and his teammates have been making my life hell ever since. But golden boy Wade just slipped up, and now he ' s about to lose it all: his spot on the team, his hot cheerleader girlfriend, his college scholarship. And he ' s begging for my help. So what am I going to do with an arrogant jock who needs to be taught a lesson? First time gay BDSM high school jock slave sex story MM erotica

Calm, reasoned, and well-modulated tones are not the order of business in discussing Chicago sports, and when it comes to talking Chicago sports, Mike North is in a class by himself. He led the sports-talk-radio industry out of its formative stages and became the city's most recognized voice. With his in-your-face style, North has all the answers and doesn't shortchange the reader when it comes to opinions. Why do the Bears carry the city? What's the basic difference between Sox and Cubs fans? Will the Bulls ever return to glory? Can the Blackhawks recapture their stature as one of the top teams in the NHL?

A straight stud is starting to break... Wade still struts around school in his varsity jacket like he ' s the king of the world. Laughing it up with his jock buddies. Making out with his cheerleader girlfriend. Making fun of the " queers " . But behind the eyes he ' s starting to get desperate. Wade hasn ' t had sex in a week. Any kind of sex. Not since I put his manhood under lock and key. I wonder how much

longer he can take it Another day? Two? Pretty soon, the frustration will be too much, and he ' ll do anything just to get some release. There ' s only one problem: It turns out that I ' m not the only one who has Wade in training. And else somebody wants to break him first. •First time gay BDSM high school jock slave teen chastity MM sex story erotica•

Beginning with the earliest experiments in musical accompaniment carried out in the Edison Laboratories, Kathryn Kalinak uses archival material to outline the history of American music and film. Focusing on the scores of several key composers of the sound era, including Erich Wolfgang Korngold ' s Captain Blood, Max Steiner ' s The Informer, Bernard Herrmann ' s The Magnificent Ambersons, and David Raksin ' s Laura, Kalinak concludes that classical scoring conventions were designed to ensure the dominance of narrative exposition. Her analyses of contemporary work such as John Williams ' The Empire Strikes Back and Basil Poledouris ' RoboCop demonstrate how the traditions of the classical era continue to influence scoring practices today.

As an Olympic rookie, Andie Foster has spent far more time in her cleats than between the sheets. For 21 years, her Friday nights have consisted of blocking shots rather than taking them. But now that she's landed in Rio, she's ready to see for herself if the rumors about the Olympic Village are true: - The athletes are all sex-crazed maniacs... - The committee passes out condoms like candy... - The games continue long after the medals have been handed out... As Andie walks the line between rumor and reality, she's forced into the path of Frederick Archibald, a decorated Olympic swimmer and owner of a sexy British accent-too bad he's unavailable in a way that "it's complicated" doesn't even begin to explain. In other words: off limits. It doesn't matter that he has abs that could bring peace to the Middle East and a smile that makes even the Queen blush; Andie fully intends on keeping her focus on the soccer field. But the Village is small. Suffocating. Everywhere Andie goes, Freddie happens to be there-shirtless, wet from the pool, and determined to show her a whole new meaning of the phrase "international affairs."

For closeted Georgia mechanic Joey Nichols, life is good. His boyfriend landed a major Hollywood role and is now well on the way to stardom. Soon Joey will leave his small, hometown to join the man of his dreams. Days before his departure, his lover not only outs Joey on national TV, but announces that they've broken up. Devastated Joey is left behind to pick up the pieces, and face the bigotry of the locals. Bestselling author Troy Steele knows all about having life turned upside down by a tabloid show. Now he lives a reclusive existence, eschewing Hollywood parties and the notoriety that comes with books that become blockbuster movies. Troy's latest work in progress Settling the Score, a story that eerily parallels Joey's story. An idea is born. What if he turned someone into everything their ex-lover wanted? Would they have the strength to stand up to the one who hurt them and then walk away? That's the question author Troy Steele wants answered, and he's leaving it up to Joey Nichol's to do the asking.

How to break an arrogant jock? Coach Davis should be happy. His team is on a winning streak. And his arrogant star quarterback, Wade Johnson, has finally learned to shut up and do what he ' s told. It turns out that all Wade needed was a firm hand... and the threat of blackmail. Now the coach has Wade in a special kind of training. Properly broken and conditioned, Wade is going to be one hell of a player. And an even better sex slave. There ' s just one problem-- Wade is holding on to a secret. Someone else had already given the cocky straight boy a taste for being used and dominated. And no matter what the coach threatens, Wade won ' t give up the guy ' s name. The coach doesn ' t like to share. So he ' s going to find out who Wade is protecting. Wade ' s got to learn that he has no one to turn to. No one to trust. No one who ' s going to ride to his rescue. Wade ' s got to learn that he belongs to the coach. And no one else. •First time gay BDSM high school jock slave teen MM sex story erotica•

Things are getting complicated for the golden boy jock... Up until last week, everything in life had come easily for the high school quarterback-- football, girls, friends. So what if he was a little rough on Kevin, the gay guy in his class? Isn ' t every jock supposed to pick on " queers " ? Now Wade is learning his lesson the hard way. Ever since Kevin got his hands on that video, Wade has been at Kevin ' s mercy... and at his service. Wade has had to do things that he swore he never would. But the worst part is that he ' s starting to like it. Wade ' s gotten a taste for something that he can ' t get from this cheerleader girlfriend. But that may be the least of the straight stud ' s problems. Because Kevin ' s not the only one who ' s found leverage on Wade. And if Wade thought his coach was hard on him before, he has no idea what ' s coming. •First time gay BDSM high school jock slave teen MM sex story erotica•

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, Things Fall Apart is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele
