Shadow theatre is conceptualized as an art that crosses borders of which death is the most perplexing. Both the practicality of puppet creation and the mythos of materializing the voices of a shadow world may help explain why shadow theatre in a variety of Asian countries has an exorcistic function.

Cinemas in several parts of the country opened after almost seven months on Thursday, ushering in a new era of contactless' movie watching in the shadow of a pandemic with alternate seating, 50 per cent capacity and packaged snacks.

~~Theatres Open After Seven Months In COVID-19 Shadow But ...~~

Shadow play, also known as shadow puppetry, is an ancient form of storytelling and entertainment which uses flat articulated cut-out figures (shadow puppets) which are held between a source of light and a translucent screen or scrim. The cut-out shapes of the puppets sometimes include translucent color or other types of detailing.
