The New Holland/Shibaura engine is one of ERI's best selling engines, and they have been building engines for over 30 years. This engine and its sister engine, the 400 series Perkins are used in many makes and models of industrial and construction equipment. It is a favorite of many manufacturers because of the big power in a little package.

Some of the engines are made by a joint venture company, Perkins Shibaura Engines, founded in October 1994 and opened in 1996. In April 2005, the company won The Queen's Award for Enterprise: International Trade (Export) (2005). The joint venture company has manufacturing sites in three countries: the UK, the US and China. The company's original products was the Perkins 100 Series engine but ...
