The third volume in the classic story of Helen Forrester's childhood and adolescence in poverty-stricken Liverpool during the 1930s. Helen Forrester continues the moving story of her early poverty-stricken life with an account of her teenage years and the devastating effect of the Second World War on her hometown of Liverpool. At seventeen, Helen Forrester's parents are still as irresponsible as ever, wasting money while their children still lack adequate food and clothing. But for Helen, having won a small measure of independence, things are looking up. Having educated herself at night school and now making friends in her first proper job, she meets a handsome seaman and falls in love for the first time. But the storm clouds of war are gathering and Helen will experience at first hand the horror of the blitz and the terrible toll that the war exacted on ordinary people. As ever, Helen faces the future with courage and determination.

Forged in the hot sun and sand of the Arizona desert, Chinook Shannon is as tough as they come,as steely-eyed and tall in the saddle as Randolph Scott. But Chinook is far from home,in the north country of Montana, and facing a challenge as big as the territory itself. Following his grandfather's suspicious death, he's come to Montana to claim his inheritance,the family's cattle ranch. But the territory's crawling with bandits and bankers, and they all want a piece of Chinook's land. With foreclosure hanging over the ranch, Chinook's got exactly twenty-four hours to find out who killed his grandfather and become the Cattle King. He'll follow a trail of forgery, cattle rustling and murder to find the truth, knowing he has only one ally,his Colt Peacemaker. L. Ron Hubbard's detailed knowledge of ranch life and mining techniques,as well as the economics and legal issues surrounding mining and water rights, informs Cattle King for a Day. He wrote: "I became thoroughly acclimated to Montana ranch life and the very rough and tough atmosphere. . . . It was also a mining area, and I used to pan in these streams for pocket money." It's no wonder, then, that these stories are pure gold. Also includes the Western adventure Come and Get It, the story of an Easterner who comes to Wyoming to find out who killed his father,but discovers that the only way to get justice is to cook up a new identity for himself. \* An International Book Awards Finalist
