Rubython's conversational tone perfectly matches the live free lifestyle of James Hunt, the last of the fun racers. The only reason I didn't give Shunt five stars is the flow of the book. Stories are told multiple times, events are gone over several times, and certain chapters are out of order.

Shunt: The Story of James Hunt: Amazon.in: Rubython, Tom ...

1975, Nurburg, Germany- Hesketh-Ford Formula One racecar driver James Hunt flies during the European Grand Prix. -Image by © Schlegelmilch/Corbis. Many of Hunt's early races ended in disaster. Once his Formula Ford crashed and sank in the middle of a lake. He would have drowned- had he been able to afford seat belts.

Shunt tells the story of James Hunt's life, his victories on the track, the girls he loved and lost and the huge amounts of money he earned and spent. No stone has been left unturned, no fact too small to include, including his lifelong devotion to dogs and budgerigars. It is the first proper story of a man loved by all those that knew him well but despised by people who did not understand the rules by which he lived his life. It is a story of a man whose like will almost certainly never be seen again.

James Hunt was a towering personality with a commanding presence, a hugely glamorous public figure who brought Formula One motor racing to the attention of a whole new audience. Triumphant against all odds to become World Drivers' Champion with McLaren in 1976, Hunt sank into a period of decadence and depression, only to be rejuvenated as he found true love for the first time. With that came personal contentment and a renewed zest for living, so that one of the most colourful and controversial figures in Grand Prix racing is best remembered by those close to him as a fun-loving, caring man who had a genuinely uplifting presence - qualities that shine through in Gerald Donaldson's compelling and moving account of his life.

The greatest duel in FORMULA 1 history: the 1976 season between Austrian Niki Lauda and Britain's James Hunt. As the '75 season ended, Hunt was out of FORMULA 1 racing while Lauda was world champion and the odds-on favorite for '76 with a year's contract ahead of him and Enzo Ferrari begging him to sign a multi-year deal. James Hunt, without a drive until Emerson Fittipaldi broke his McLaren contract, grabbed the McLaren drive with both hands and the help of friend John Hogan and Marlboro cigarettes. The result? Two drivers in an epic sixteen-race battle across the globe for the '76 title, ultimately decided by a single point. Fame, wealth, drugs, sex, and the rest of globetrotting 1970s FORMULA 1 racing are encompassed in the Lauda vs. Hunt duel. At the '76 German Grand Prix, Lauda nearly died in a fiery crash, only to emerge six weeks later, severe burns on his face and head, to pursue his rivalry with Hunt. It all came down to the last race, a rain-soaked affair in Japan, where Hunt won the championship by the slimmest possible margin. The book is a study in contrasts during an era of Brut aftershave and disco sex parties. James Hunt, legendary philanderer and FORMULA 1 rock star, versus supernatural racer Niki Lauda, who in '75 set the first sub-seven minute lap around the Ring.

This book is about the life of Ayrton Senna, the three times Formula One world champion. It is the first proper story of a man the world revered and whose like will never be seen again. In this first full account of the life of Senna, the author and his collaborators examine each detail of the driving maestro's life - from his earliest days to his first race, his pole positions and his world championships - as well as his death and its aftermath. It is a story that has never been fully or properly told, and it is a story that needed to be told.

Fast, aggressive and wonderfully magnetic, James Hunt electrified Formula One during one the most exciting period in the sport's history. The charismatic Englishman won the Championship in 1976 following the most intense and controversial season on record. The classic 'play boy' racing driver, Hunt was renowned for his love of women, parties and, of course, fast cars. In this wonderful authorised biography, motor sport journalist Maurice Hamilton celebrates forty years since Hunt's World Championship win and recalls the legendary life, endless carouses and career milestones of a true legend of Formula One.

White Music is the first full-length biography of the music maestro, Barry White. Brought up by a single mother in a tough area of Los Angeles he displayed a musical talent whilst also being a young thug, terrorising the neighbourhood. His life changed forever when his voice broke at 14 and from that moment he began a 15-year struggle to the top. Along the way he went to prison, got married, fathered five children and got divorced. His solo career took off after he recorded an album called I've Got So Much To Give followed by Stone Gon' and Can't Get Enough. The albums made Barry White an international star and gave him the hit single that defined his life - You're The First, The Last, My Everything. He continued to perform around the world playing to huge audiences until his death in 2003 at the age of 58.

"A ribald, Byzantine tale of time-tourism" from the multiple Nebula and Hugo Award-winning author (Tor.com). It's 2059, and former law clerk Jud Elliott finds himself at loose ends—until a chance meeting with a Time Courier gives him the inspiration to become one himself. The job—as a time-traveling guide—gives him the opportunity to indulge his love of Byzantine history, in between shuttling tourists to such monumental events as the crucifixion and the assassination of JFK. But there are strict rules to follow as a Time Courier, put in place to guard against paradoxes and preserve the sanctity of "now-time." Jud isn't used to following the rules—especially when faced with temptation. All it takes is one tiny slip here, one misplaced step there, and Jud could destroy his own timeline and cease to exist in the blink of an eye . . . a practicality that's hard for Jud to grasp when he crosses paths with an eleventh-century Byzantium beauty he can't resist. "A hugely ambitious, enormously fun, sly, paradox-peppered piece that chronicles the time-tourist trade and all its perils—specializing in Byzantine history." —Strange Horizons "This novel is a comedy, and it is funny, but it is one of those black comedies where things go wrong, and then the more the protagonist tries to fix things, the more wrong they become, until the ending is at one and the same time an O. Henry punchline and a deep existential truth, neat as a pin and just as sharp." —Kim Stanley Robinson

The Instant New York Times Bestseller Shortlisted for the Carnegie Medal for Excellence in Nonfiction A searing, deeply moving memoir about family, love, loss, and forgiveness from the critically acclaimed, bestselling National Book Award-winning author of The Absolutely True Diary of a Part-Time Indian. Family relationships are never simple. But Sherman Alexie's bond with his mother Lillian was more complex than most. She plunged her family into chaos with a drinking habit, but shed her addiction when it was on the brink of costing her everything. She survived a violent past, but created an elaborate facade to hide the truth. She selflessly cared for strangers, but was often incapable of showering her children with the affection that they so desperately craved. She wanted a better life for her son, but it was only by leaving her behind that he could hope to achieve it. It's these contradictions that made Lillian Alexie a beautiful, mercurial, abusive, intelligent, complicated, and very human woman. When she passed away, the incongruities that defined his mother shook Sherman and his remembrance of her. Grappling with the haunting ghosts of the past in the wake of loss, he responded the only way he knew how: he wrote. The result is a stunning memoir filled with raw, angry, funny, profane, tender memories of a childhood few can imagine, much less survive. An unflinching and unforgettable remembrance, YOU DON'T HAVE TO SAY YOU LOVE ME is a powerful, deeply felt account of a complicated relationship. One of the most anticipated books of 2017--Entertainment Weekly and Bustle
