Simple Perfection

Simple Perfection starts off  
right where Twisted

Perfection leaves off. Woods  
Kerrington is now solely  
responsible for his family's  
country club. He is dealing  
with his grieving mother,  
his crazy ex, and the stress  
is getting to him.

Thankfully, he has Della.

The only thing keeping him  
together, keeping him sane.  
Della is happy with Woods.

In Simple Perfection, he is dealing with the aftermath of his fathers death, his mothers unreasonable behaviour and his vile ex all while trying to keep the club running smoothly and while putting his own stamp on it. Despite everything that he is dealing with he still puts Della first, before everything.

I absolutely adore him even more now. Overall, I really liked Simple Perfection. Woods and Della's relationship is special & very very SMEXY!! This couple has had to overcome some pretty difficult issues. But, they do and they do it together. In fact, their love for each other is the only thing that is simple in this book.
