The Arabian Nights Andrew Lang - One Thousand and One Nights is a collection of stories collected over many centuries by various authors, translators and scholars in various countries across the Middle East and South Asia. These collections of tales trace their roots back to ancient Arabia and Yemen, ancient Indian literature and Persian literature, ancient Egyptian literature and Mesopotamian mythology, ancient Syria and Asia Minor, and medieval Arabic folk stories from the Caliphate era. Though the oldest Arabic manuscript dates from the fourteenth century, scholarship generally dates the collection's genesis to somewhere between AD 800-900.

When Edmond makes his way out of prison, he plots to reward those who stood by him (his old employer, for one), and to seek revenge on the men who betrayed him: one who wrote the letter that denounced him, one that married his fianc é e in his absence, and one who knew Dant è s was innocent but stood idly by and did nothing.
