Six Pixels of Separation: Everyone Is Connected. Connect ...

Well, consider this: If Facebook were a country, it would have the sixth largest population in the world. The truth is, we no longer live in a world of six degrees of separation. In fact, we're now down to only six pixels of separation, which changes everything we know about doing business. This is the first book to integrate digital marketing, social media, personal branding, and entrepreneurship in a clear, entertaining, and instructive manner that everyone can understand and apply.
