Business Research Handbook is the best strategic approach to research. It gives you ready-to-adapt strategies that streamline and focus your information search, complete with: Procedures that progressively sift and regroup your research decision points that allow you to evaluate which steps remain The most cost-effective ways to take advantage of today's electronic media resources Efficient ways to retrieve the information your search has located. Easy-to-adapt sample research strategies are found throughout the book to help you confidently and quickly conduct your research in unfamiliar areas. You will find that the Business Research Handbook is designed in a graphic, user-friendly format with easy-to-recognize icons as reference pointers, and extensive lists of sources and material to help you obtain the information you need to: Compile biographical information on key players or parties Investigate potential business partners or competitors Engage in marketing research Compile a company profile Locate expert witnesses and verify credentials And much more.

Make Money and Help Your Community at the Same Time "This book shows you the most powerful, practical system ever discovered to make money buying pre-foreclosures. If you follow its advice, it could make you rich." --Brian Tracy, bestselling author of The Psychology of Achievement "What great content and a fresh approach to the business of foreclosure investing. Alexis has it right--believe in yourself and what you do, be open and honest with others, and work hard. You'll make a great living and enjoy life along the way." --Barbara Corcoran, founder of the Corcoran Group and bestselling author of If You Don't Have Big Breasts, Put Ribbons on Your Pigtaails: And Other Lessons I Learned from My Mom "This book shares with readers the right and moral way to invest in pre-foreclosures. Author Alexis McGee shows you that you can help homeowners and make a profit. This book is a must for all real estate investors, whether you are working on your first deal or your twentieth!" --Diane Kennedy, bestselling author of Loopholes of the Rich and coauthor of The Maui Millionaires "Want to make money the honest way? Read Alexis McGee's great ideas on real estate foreclosures, and you'll have access to a wealth of know-how, experience, and years of success. You'll learn from people who have done it--not just ideas, but stuff that works in the real world." --Ron Willingham, author of The Inner Game of Selling and Integrity Selling for the 21st Century

The skills and tools for collecting, verifying and correlating information from different types of systems is an essential skill when tracking down hackers. This book explores Open Source Intelligence Gathering (OSINT) inside out from multiple perspectives, including those of hackers and seasoned intelligence experts. OSINT refers to the techniques and tools required to harvest publicly available data concerning a person or an organization. With several years of experience of tracking hackers with OSINT, the author whips up a classical plot-line involving a hunt for a threat actor. While taking the audience through the thrilling investigative drama, the author immerses the audience with in-depth knowledge of state-of-the-art OSINT tools and techniques. Technical users will want a basic understanding of the Linux command line in order to follow the examples. But a person with no Linux or programming experience can still gain a lot from this book through the commentaries. This book's unique digital investigation proposition is a combination of story-telling, tutorials, and case studies. The book explores digital investigation from multiple angles: Through the eyes of the author who has several years of experience in the subject. Through the mind of the hacker who collects massive amounts of data from multiple online sources to identify targets as well as ways to hit the targets. Through the eyes of industry leaders. This book is ideal for: Investigation professionals, forensic analysts, and CISO/CIO and other executives wanting to understand the mindset of a hacker and how seemingly harmless information can be used to target their organization. Security analysts, forensic investigators, and SOC teams looking for new approaches on digital investigations from the perspective of collecting and parsing publicly available information. CISOs and defense teams will find this book useful because it takes the perspective of infiltrating an organization from the mindset of a hacker. The commentary provided by outside experts will also provide them with ideas to further protect their organization's data.

Get the confidence and tools to take advantage of this growing method of investing Tax liens sales and tax deed auctions, conducted by governmental agencies for delinquent taxes on real estate, are not new--they have been around for more than 200 years. But until recently, they remained a small niche market for investors. However, as more people become delinquent on their real estate taxes due to the increased foreclosure market, and local governments look for revenues wherever they can find them, this investing methodology has become increasingly popular - and it can be done from anywhere. Zero Risk Real Estate shows readers exactly what to look for, what to avoid, and how to get the biggest return with the smallest amount of risk. Explains how to utilize the internet for research and investing from anywhere in the world! Gives step-by-step advice on how to determine your investment objectives and where to find tax sale listings Details how to take advantage of "over-the-counter" bargains and increase your returns Shows what to do once you have your new tax certificate, and how to "cash in" This is not a get-rich-quick infomercial approach--it is a real investing strategy that is expected to grow over the next several years as an appealing alternative to the stock market and other investments. Using real-life examples and case studies, this book walks you through the process step-by-step to make it easy for beginners, and shares advanced investing techniques for more experienced investors.

A breakthrough title explaining effective, cost-efficient collection methods In a down economy, the demand for a successful credit and collection game plan increases. Credit & Collections Kit For Dummies is a comprehensive guide for people involved in collection activities with accounts/clients, helping readers approach the often difficult task of collecting from late/slow paying customers, as well as determining when (and if) to extend credit to questionable ones. It gives readers the expert information and tools designed to ensure that their collection methods are both effective and legal. The book's attached CD includes helpful scripts, forms, letters, templates, and spreadsheets to help readers work efficiently and effectively. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Pre-foreclosure real estate is one of the hottest investment opportunities on the market. The Pre-Foreclosure Property Investor's Kit offers step-by-step instruction and no-nonsense advice on how to find great deals, estimate fair market value, negotiate with sellers, sell your property on your own, and win big in real estate. You'll learn how to get the best deals on foreclosure properties before they go to auction and utilize simple ready-made worksheets, checklists, forms, and agreements that make getting started easy. Even people of modest means can get into pre-foreclosure investing--all it takes is a little hard work, persistence, and the tools you'll find in this handy guide.

In The No-Nonsense Real Estate Investor's Kit, noted author and real estate expert, Thomas J. Lucier provides detailed information, step-by-step instructions and practical advice for both beginning and experienced investors, who want to join the ranks of America's real estate millionaires! You get Tom Lucier's lifetime of real estate investing expertise and experience in twenty-three meaty chapters. You also get all of the nitty-gritty details on five proven strategies for making money in real estate today. You'll learn all of the fundamentals of successful investing and get the guidance that you need on these and many more vital topics: Choosing the right investment strategies Financing your deals Limiting your risk and liability Earning tax-free income from the sale of real estate Setting up and operating your own real estate business Investing in undervalued properties Following state and federal real estate related statutes Negotiating the best possible deal for yourself Buying properties at below-market prices Performing due diligence, inspections, and estimating property values Preparing purchase and sale agreements The No-Nonsense Real Estate Investor's Kit is as close as you can get to a graduate degree in real estate investing without ever going to college. It arms you with the specialized knowledge that you need to compete successfully against the seasoned real estate professionals in your local real estate market. And this book comes complete with FREE downloadable and customizable forms to help you get started on the fast track.

Spend like a miser, profit like a mogul Who says you have to spend money to make money?Savvy real estate investors follow the examples of Donald Trump and Walt Disney, turning substantial profits on properties without

incurring the debt, risk, and maintenance costs of ownership--and now, so can you! In How to Make Money with Real Estate Options, real estate expert Thomas Lucier introduces you to the low-risk, high-yield investment vehicle that can earn big bucks even for small investors. Lucier explains what real estate options are, how they work, and why they are the tools of choice for thousands of successful investors. Step by step, he shows you how to: * Locate potential option properties using the Internet, want ads, and "bird-dogs" * Contact and negotiate with property owners * Perform due diligence and avoid options pitfalls * Prepare an option agreement that protects you * Insure real estate options with title insurance * Package and sell optioned properties for optimum profits Packed with no-nonsense advice on how to identify the most profitable properties and manage every step of the option process, How to Make Money with Real Estate Options is a practical guide to one of the secret weapons of savvy investors.
