Slay In Your Lane. 'Black women today are well past making waves – we're currently creating something of a tsunami. Women who look like us, grew up in similar places to us, talk like us, are shaping almost every sector of society.'. From education to work to dating, this inspirational, honest and provocative book recognises and celebrates the strides black women have already made, while providing practical advice for those who want to do the same and forge a better, visible future.

Slay In Your Lane

Slay in Your Lane is black girl bible which helps black, British girls navigate their way through British society. Britain prides itself on having a multicultural and diverse society (which is typically located in the cities); we state that it enriches our British culture, but many white individuals fail to realise the covert and normalised forms of racism that prevail.

Slay In Your Lane: The Black Girl Bible by Yomi Adegoke

Slay in Your Lane: The Journal is the beautifully illustrated, empowering and practical toolkit for a generation of black British women inspired to find success in every area of their lives. We decided to create Slay in Your Lane: The Journal shortly after our book tour ended last year. After so many events, talking to thousands of women, we realised that the same questions were cropping up again and again.

Slay In Your Lane: The Journal: Adegoke, Yomi, Uviebinené ...

Slay In Your Lane is a series of books and a podcast by journalist Yomi Adegoke and brand strategist Elizabeth Uviebinené. The first book in the series, Slay In Your Lane: The Black Girl Bible (2018), is based on interviews the pair conducted with "39 successful black British women spanning different industries".
