weapons you need to fight your own financial foes.

Lowe was shocked when she realized how the small, everyday expenses of living just added up until her family was being threatened by one dragon of a debt. Through hard work and God's help, the family paid off their creditors in just under four years. Lowe shares how her war on debt strengthened her marriage and brought her whole family closer to God and to one another.

Are your finances getting out of control? Have you made mistakes with your money? Are you in more debt than you'd like to admit? Cherie Lowe has been there. She and her family found themselves \$127,482.30 in debt (did your jaw drop?). They hadn't bought a yacht, blown it on designer clothes, or purchased a mansion. The small, everyday expenses of living just added up—until suddenly, the Lowes were being threatened by one dragon of a debt. But through hard work and with God's help, Cherie's family vanquished this foe, one bill at a time. And you can too! In *Slaying the Debt Dragon*, Cherie shares how her war on debt made her financially free, strengthened her marriage, taught her children valuable money-management skills, and brought her whole family closer to God and one another. As you read her battle tales, you'll be armed with the weapons you need to fight your own financial foes. With God, all things are possible—and your inspired happily ever after can begin today.

“The most wonderful time of the year”? We dream of Christmas as a season of family, celebration, and worship—but too often we get burdened with stress, busyness, yelling, and overspending. Cherie Lowe, author of *Slaying the Debt Dragon*, knows what it's like to feel frazzled as the holidays draw near. A family of four trying to defeat their debt monster, the Lowe family had to get creative and intentional about keeping the happy in their holidays. These 21 tips—on budgeting, the items you should buy on Black Friday, and much more—will help you save money, time, and your sanity this holiday season. You'll be able to enjoy the holidays without worry and stress—and celebrate a Christmas filled with wonder and joy. (Includes bonus printables!)

God's vision for your marriage is far more than mediocre, and money and sex are two of the most common tension points. But it doesn't have to be this way. In *Your Money, Your Marriage*, Brian and Cherie Lowe offer straight talk and power principles for getting your finances back on track so you can get back to your romance. Take it from them—the Lowes worked off \$127,000 in debt in just four years, and emerged not only financially free but better together. Join Cherie, personal finance blogger at Queen of Free, and Brian, family law attorney who's seen it all when it comes to marital money struggles, in this journey to help you and your spouse go from different books to the same page. Through candid and hilarious stories, fresh ideas and practices, and a few winks along the way, Brian and Cherie reveal the secrets to “financial foreplay” able to help every couple thrive together in finance and romance alike. You'll learn how to: Develop “passionate patience” with each other toward a shared financial goal Identify unhealthy financial habits Save smart on date nights Sort through misaligned expectations as a couple Beat the comparison game Cultivate a stronger relationship on a budget of zero dollars Couples share much more than a bank account or even a bedroom—they share a sacred union. Imagine what your marriage could be if you could put cash

conflict behind you. Your Money, Your Marriage is an invitation to find out, and to thrive together.

Role-playing game historian Ben Riggs unveils the secret history of TSR—the company that unleashed imaginations with Dungeons & Dragons, was driven into ruin by disastrous management decisions, and then saved by their bitterest rival. Co-created by wargame enthusiasts Gary Gygax and Dave Arneson, the original Dungeons & Dragons role-playing game released by TSR (Tactical Studies Rules) in 1974 created a radical new medium: the role-playing game. For the next two decades, TSR rocketed to success, producing multiple editions of D&D, numerous settings for the game, magazines, video games, New York Times bestselling novels by Margaret Weis, Tracy Hickman, and R. A. Salvatore, and even a TV show! But by 1997, a series of ruinous choices and failed projects brought TSR to the edge of doom—only to be saved by their fiercest competitor, Wizards of the Coast, the company behind the collectible card game Magic: The Gathering. Unearthed from Ben Riggs's own adventurous campaign of in-depth research, interviews with major players, and acquisitions of secret documents, *Slaying the Dragon* reveals the true story of the rise and fall of TSR. Go behind the scenes of their Lake Geneva headquarters where innovative artists and writers redefined the sword and sorcery genre, managers and executives sabotaged their own success by alienating their top talent, ignoring their customer fanbase, accruing a mountain of debt, and agreeing to deals which, by the end, made them into a publishing company unable to publish so much as a postcard. As epic and fantastic as the adventures TSR published, *Slaying the Dragon* is the legendary tale of the rise and fall of the company that created the role-playing game world.

A bold declaration of faith, *41 Will Come* is a shot of encouragement and hope for everyone who desperately needs to hear “God is with you. Your story is not over. You are not defeated.” In the Bible, it rained for forty days and forty nights. Day 41 came and the rain stopped. The people of Israel wandered the wilderness for forty years. Day 41 came and a new generation entered the Promised Land. For forty days, Goliath bullied Israel and dared anyone to fight him. Day 41 came and David slew Goliath. Do you see the theme? Don't quit. Don't give up. Perhaps you're stuck in a downpour or lost in one of life's deserts. Maybe you're facing someone or something that could take you down. You might feel stuck on your journey, but 41 will come—it's on its way. No matter how long your battle—days, weeks, or years—Chuck Tate offers you seven keys to help you hang on to the promise and truth that God will come through for you.

In *How to Kill a Dragon* Calvert Watkins follows the continuum of poetic formulae in Indo-European languages, from Old Hittite to medieval Irish. He uses the comparative method to reconstruct traditional poetic formulae of considerable complexity that stretch as far back as the original common language. Thus, Watkins reveals the antiquity and tenacity of the Indo-European poetic tradition. Watkins begins this study with an introduction to the field of comparative Indo-European poetics; he explores the Saussurian notions of synchrony and diachrony, and locates the various Indo-European traditions and ideologies of the spoken word. Further, his overview presents case studies on the forms of verbal art, with selected texts drawn from Indic, Iranian, Greek, Latin, Hittite, Armenian, Celtic, and Germanic languages. In the remainder of the book, Watkins examines in detail the structure of the dragon/serpent-slaying myths, which recur in various guises throughout the Indo-European poetic tradition. He finds the "signature" formula for the myth--the divine hero who slays the serpent or overcomes adversaries--occurs in the same linguistic form in a wide range of sources and over millennia, including Old and Middle Iranian holy books, Greek epic, Celtic and Germanic sagas, down to Armenian oral folk epic of the last century. Watkins argues that this formula is the vehicle for

Read PDF Slaying The Debt Dragon How One Family Conquered Their Money Monster And Found An Inspired Happily Ever After

the central theme of a proto-text, and a central part of the symbolic culture of speakers of the Proto-Indo-European language: the relation of humans to their universe, the values and expectations of their society. Therefore, he further argues, poetry was a social necessity for Indo-European society, where the poet could confer on patrons what they and their culture valued above all else: "imperishable fame."

Compelling, easy-to-read, and written by internationally recognized experts in applied science, this volume destroys the human-caused global warming theory and clears the innocent carbon dioxide molecule of all the heinous crimes it is accused of.

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

"True Detective meets Swamp Thing in the Artemis Fowl author's neo-noirish thriller about a curmudgeonly dragon in Louisiana." —Guardian
From the New York Times bestselling author of the Artemis Fowl series comes a hilarious and high-octane adult novel about a vodka-drinking, Flashdance-loving dragon who lives an isolated life in the bayous of Louisiana—and the raucous adventures that ensue when he crosses paths with a fifteen-year-old troublemaker on the run from a crooked sheriff. In the days of yore, he flew the skies and scorched angry mobs—now he hides from swamp tour boats and rises only with the greatest reluctance from his Laz-Z-Boy recliner. Laying low in the bayou, this once-magnificent fire breather has been reduced to lighting Marlboros with nose sparks, swilling Absolut in a Flashdance T-shirt, and binging Netflix in a fishing shack. For centuries, he struck fear in hearts far and wide as Wyvern, Lord Highfire of the Highfire Eyrie—now he goes by Vern. However...he has survived, unlike the rest. He is the last of his kind, the last dragon. Still, no amount of vodka can drown the loneliness in his molten core. Vern's glory days are long gone. Or are they? A canny Cajun swamp rat, young Everett "Squib" Moreau does what he can to survive, trying not to break the heart of his saintly single mother. He's finally decided to work for a shady smuggler—but on his first night, he witnesses his boss murdered by a crooked constable. Regence Hooke is not just a dirty cop, he's a despicable human being—who happens to want Squib's momma in the worst way. When Hooke goes after his hidden witness with a grenade launcher, Squib finds himself airlifted from certain death by...a dragon? The swamp can make strange bedfellows, and rather than be fried alive so the dragon can keep his secret, Squib strikes a deal with the scaly apex predator. He can act as his go-between (aka familiar)—fetch his vodka, keep him company, etc.—in exchange for protection from Hooke. Soon the three of them are careening headlong toward a combustible confrontation. There's about to be a fiery reckoning, in which either dragons finally go extinct—or Vern's glory days are back. A triumphant return to the genre-bending fantasy that Eoin Colfer is so well known for, Highfire is an effortlessly clever and relentlessly funny tour-de-force of comedy and action.
