Slow Burn Novel By Nicole Christie

Slow-burn romance Romance novels that focus on character-driven romance, where the relationship takes a while to develop. These books can be real steamy, but not of the insta-lust variety. I'm talkin' real character and relationship development throughout the course of the story that builds and builds and builds.

Slow-burn romance (702 books) - Goodreads

Slow burn romances follow the characters as they fall in love gradually, giving us a realistic and genuine romantic experience. It allows us to watch the progression and transformation of their relationship over time.

100 of the Best Slow Burn Romance Books | Totally Bex

Nicole Christie is one of my favorite authors. She writes protagonists that are so damn lovable. Juliet, the star of *Slow Burn*, is intelligent, hilarious, sweet, and feisty all at the same time. The plot is mainly about the end of her relationship with volatile and hotheaded Johnny and the beginning of her relationship with cold (or so it seems) and controlled Dean.

Slow Burn Novel By Nicole Christie

'One of my favourite novels of 2017 was easily Nicole Dennis-Benn's first novel, *Here Comes the Sun*, and when her second, *Patsy*, was announced, I almost lost my mind. The richness of Dennis-Benn's writing is taken to another level in *Patsy*, the story of a Jamaican woman working towards her own version of the
