Sociology Study Guide Flashcards | Quizlet

Sociologists study human interaction at the micro-level (e.g., gender roles), the meso-level (e.g., social institutions, such as family) and the macro-level (e.g., population growth). This course will guide you in seeing and understanding the social norms, or unwritten rules, by which people live, and how they enable and constrain behavior.

Deviance: Study Guide | SparkNotes

It discusses six main institutions including economic, education, family, medical, political and religious. Although for the most part, all these systems exist in most nations around the world, they differ depending on many things, like how communities are organized, people's wealth, distribution of power, etc.
