Something Beautiful For God

Something Beautiful for God was first published in 1971, and introduced Mother Theresa to the Western world. As timely now as it was then, Something Beautiful for God interprets her life through the eyes of Malcolm Muggeridge, a modern-day skeptic who became literally transformed within her presence, describing her as "a light which could never be extinguished." Malcolm Muggeridge (1903 - 1990 ...

Something Beautiful For God - Music

No woman alive today has inspired so many with her simplicity of faith and compassion so all-encompassing. As she daily embraces the "least of the least" in her arms, Mother Theresa challenges the whole world to greater acts of service and understanding in the name of love. First published in 1971, this classic work introduced Mother Theresa to the Western World. As timely now as it was then, Something Beautiful for God interprets her life through the eyes of a modern-day skeptic who became literally transformed within her presence, describing her as "a light which could never be extinguised."

Do Something Beautiful for God is Mother Teresa's enduring invitation and challenge to the world. This is not an abstract invitation but a deeply personal and intimate one. There is so much happening in the world and so much happening within our own hearts, minds, and souls. All this makes it is easy to lose sight of what matters most and get absorbed in what matters least. Mother Teresa is an icon of goodness, one of the most beloved women in history. How did she become so much to so many people? Little by little. Small acts performed with great love. You become an icon of goodness by striving to be good and by consistently doing good. On these pages, you will find the essential teachings of Mother Teresa. They provide remarkable insight into the depths of her heart, mind, soul, and life. They will comfort you in your affliction and afflict you in your comfort. But most of all, in the midst of all this activity and noise of your life, you will hear Mother Teresa encouraging you by gently saying: Do something beautiful for God with your life!

Is motherhood only about self-sacrifice? Or will it bless your life, too? You know that motherhood makes high demands. Yet you know it’s worth the cost because it benefits your child. On some grand level, it’s also good for civilization. And of course, it’s a calling from God. So is that what you’re doing here—pouring out your life for God and others while getting little in return except the consolation that you’ve done the right thing? Laura Booz wants you to expect something more out of motherhood—something truly beautiful. You might be asking: Will I lose myself in motherhood? Compromise my career? Squander my potential? What’s the point of all that unseen (and uncelebrated) serving, cleaning, caring, snuggling, discipling, and praying? Laura wants to help you see that behind all the giving that mothers do is the receiving of something special—a profound growth in God that is cultivated through motherhood’s everyday ups and downs. Let this book give you a renewed vision of motherhood: to see God’s good purpose for you as a mother, a woman, and a follower of Christ.

In a book that collects previously unpublished talks with the author's fellow sisters, Mother Teresa's spiritual teachings are revealed and organized into four steps of spiritual practice. By the best-selling author of Mother Teresa: Come Be My Light. Reprint.

This biography of Malcolm Muggeridge traces the varied life of one of the most brilliant and controversial men of the twentieth century. The author, Ian Hunter, was given full access to all of Muggeridge's unpublished material, letters, and diaries. The result is an objective, well-researched, and honest account that is sometimes at variance with Muggeridge's own recollection of events. Ian Hunter captures the humor, the intellect, the rawness of perception, the abandoned honesty of a man engaged in knowing himself, his world, and his God. Malcolm Muggeridge was not merely a "vendor of words," as he invariably described himself, but was also a celebrated author, broadcaster, lecturer, debater, traveller, journalist and television personality, a one-time ardent admirer of the Soviet system, a World War II intelligence agent, and a former agnostic turned committed Christian. To many people, however, Malcolm Muggeridge was admired above all for his superb use of the English language. It is to the credit of Ian Hunter that after reading this biography one has a clearer understanding of an extraordinary man. Dr. Ian Hunter is professor emeritus at the University of Western Ontario. His articles and reviews have appeared in many Canadian and American poublications. He edited two collections of Muggeridge's writings: Things Past and The Very Best of Malcolm Muggeridge; he also wrote a biography of Muggeridge's friend, Hesketh Pearson (Nothing to Repent: The Life of Hesketh Pearson).

What is true beauty? What kind of beauty pleases God most? Is there a beauty that can "save the world" (Dostoevsky)? Is holiness beauty? Captivated by the beauty of the transfigured Savior, the Church seeks to express God's beauty through liturgy, icons, vestments etc., as it calls on us also to respond by doing something beautiful for God. In the words of one theologian, "Where there is beauty apparent, let us enjoy it. Where there is beauty hidden, let us unveil it. Where there is beauty defaced, let us restore it. Where there is no beauty at all, let us create it.

In a bridge-building exercise between Christians, Muslims, and other people of the book, David Bentley traces the Semitic pre-Islamic origins of Islam s 99 names of God. He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself."

A Modern pilgrim explores the spiritual wanderings of Augustine, Blake, Pascal, Tolstoy, Bonhoeffer, Kierkegaard, and Dostoevsky. Based on an acclaimed TV series, this illuminating collection of portraits brings to life seven men in search of God, seven maverick thinkers whose spiritual wanderings make for unforgettable reading.

One of the world's most recognized and beloved spiritual leaders, Mother Teresa inspired millions with her extraordinary example of compassionate and selfless work for the poor, the ill, and the outcast. Until her death in 1997, she was a steadfast voice of love and faith, providing immeasurable kindness and guidance to the “poorest of the poor” through her Missionaries of Charity. No Greater Love is the essential wisdom of Mother Teresa — the most accessible and inspirational collection of her teachings ever published. This definitive volume features Mother Teresa on love, prayer, giving, service, poverty, forgiveness, Jesus, and more. It ends with a biography and a revealing conversation with Mother Teresa about the specific challenges and joys present in her work with the poor and dying. Published to celebrate her canonization in 2016, this Commemorative Edition also includes Pope John Paul II’s homily from her Beatification Mass in 2003. No Greater Love is a passionate testament to Mother Teresa’s deep hope and abiding faith in God and the world. It will bring readers into the heart of this remarkable woman, presenting Mother Teresa’s revolutionary vision of Christianity in its graceful, poetic simplicity. Through her own words, No Greater Love celebrates the life and work of one of the great humanitarians of our time.
