Sorrow Of War Lydiab - backpacker.net.br

The Sorrow of War vaults over all the American fiction that came out of the Vietnam war to take its place alongside the greatest war novel of the century, All Quiet on the Western Front. And this is to understate its qualities for, unlike All Quiet, it is a novel about much more than war. A book about writing, about lost youth, it is also a beautiful agonising love story...

The Sorrow Of War A Novel North Vietnam Bao Ninh

Bao Ninh's The Sorrow of War connects the tragedy of wartime to the loss of youth and love. It is the story of an idealist named Kien and his first love, Phuong, and how the dramatic events of war caused their pure love to diminish little by little, until the relationship that once was ceased to exist.

Having a life-long love of reading a trip down the A1079 from Hull to York gave him the inspiration to begin writing a book about the Battle of Stamford Bridge, a project that turned into 'The Sorrow Song Trilogy' of which 'The War Wolf' is the first instalment. He is married with two children and three cats.

A loving brother, a thriving Christian hotel, and a rich heritage of faith--why does Fred White want to leave it all in search of a new life? Can he really escape the dark shadows of the past?

These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

“For there is indeed something we can call the spirit of ancient Greece—a carefully tuned voice that speaks out of the grave with astonishing clarity and grace , a distinctive voice that, taken as a whole, is like no other voice that has ever sung on this earth.” –BURTON RAFFEL, from his Preface For centuries, the poetry of Homer, Aristophanes, Sophocles, Sappho, and Archilochus has served as one of our primary means of connecting with the wholly vanished world of ancient Greece. But the works of numerous other great and prolific poets—Alkaios, Meleager, and Simonides, to name a few—are rarely translated into English , and are largely unknown to modern readers. In Pure Pagan, award-winning translator Burton Raffen brings these and many other wise and witty ancient Greek writers to an English-speaking audience for the first time, in full poetic flower. Their humorous and philosophical ruminations create a vivid portrait of everyday life in ancient Greece –and they are phenomenally lovely as well. In short, sharp bursts of song, these two-thousand-year-old poems speak about the timeless matters of everyday life: Wine (Wine is the medicine / To call for, the best medicine / To drink deep, deep) History (Not us: no. / It began with our fathers, / I've heard). Movers and shakers (If a man shakes loose stones / To make a wall with / Stones may fall on his head / Instead) Old age (Old age is a debt we like to be owed / Not one we like to collect) Frankness (Speak / As you please / And hear what can never / Please). There are also wonderful epigrams (Take what you have while you have it: you'll lose it soon enough. / A single summer turns a kid into a shaggy goat) and epitaphs (Here I lie, beneath this stone, the famous woman who untied her belt for only one man). The entrancing beauty, humor, and piercing clarity of these poems will draw readers into the Greeks' journeys to foreign lands, their bacchanalian parties and ferocious battles, as well as into the more intimate settings of their kitchens and bedrooms. The poetry of Pure Pagan reveals the ancient Greeks' dreams, their sense of humor, sorrows, triumphs, and their most deeply held values, fleshing out our understanding of and appreciation for this fascinating civilization and its artistic legacy.
