With Noah and his followers ready to strike, Maka and Soul must undergo rigorous training in the newly formed Spartoi unit.

The enemy of my enemy is...still my enemy?! As the madness of the Kishin continues to threaten the world, Noah and Medusa race to find Asura and ally themselves with him. With Noah reliant on demon tools and Medusa on her experimental black blood, DWMA must devise ways to combat both evils while

trying to seek and destroy Asura themselves!

Like the other members of the newly formed Spartoi unit, Maka and Soul undergo rigorous training, probing the boundaries of Soul's hard-won new potential as a weapon. Maka's soul perception ability has made her the enemy's next target, and she and Soul will have to kick it up to a whole new level-and fast! Noah and his followers are coming, ready or not!!

Maka is a weapon meister, determined to turn her partner, a living scythe named Soul Eater, into a

powerful death scythe - the ultimate weapon of Death himself! Charged with the task of collecting and devouring the tainted souls of ninety-nine humans and one witch, Maka and her fellow meisters strive to master their weapons as they face off against the bizarre and dangerous minions of the underworld. But the meisters' own personal quirks may prove a bigger obstacle than any sultry enchantress!

Tsubaki and Black*Star set off on their most difficult mission yet: a battle with the Uncanny Sword Masamune, a soul on the brink of

becoming a Kishin. But this fight holds personal significance for Tsubaki - their target is her older brother. Jealous of her inherited talents, Masamune is holding nothing back. Usually docile and complacent, Tsubaki must find the strength to overtake the Uncanny Sword before she too is sucked into the darkness.

As Kid struggles against the madness deep in the Book of Eibon, a group of Spartoi members race to rescue their friend. Through page after page of Lust, Gluttony, and Envy, the students must conquer the seduction of

their own fears and desires to reach the final chapter! Will their efforts be enough to give this tale a happy ending?!

Crona's crimes have become too terrible to ignore, and the troubled youth is added to Shinigami's list. Hoping to reach her friend first, Maka extends her soul perception ability to engulf the entire planet. But the sweep delivers even more than she had bargained for--the location of the Kishin's hideout!

Shinigami-sama summons the strongest weapons from around the world to contain

the rogue kishin and the spread of his madness. As these powerful weapons strategize for what will be the most difficult battle of their lives, the students of DWMA try to get back to their normal lives as best they can. For Maka, adjusting to the dangerous times is nothing compared to Crona's struggle to adjust to life as a DWMA student!

THE GRAY OF HAIJIMA Now that Company 8 has learned that Haijima Industries is using children in an attempt to spark an Adolla Burst, Shinra is eager to put a stop to their heinous practices. To infiltrate

their facilities, he agrees to let them study his own powers, and now he must face one of the ghosts of his childhood—the evil Kurono, a twisted pyrokinetic with enough power to rival the toughest soldier on the Fire Force.

As Maka and a team of DWMA students slip into Baba Yaga Castle in the guise of Arachnophobic guards, Black*Star opts for his usual style of entrance: loud and without a trace of subtlety! But although Black*Star doesn't seem to have changed much on the outside, inwardly he has at last found the way to

harness the true power of the Uncanny Sword. And that means he's ready to test his blade in a round three rematch against swordsman Mifune! Will Black*Star's transformation be enough? Or will he once again find himself at the mercy of the great samurai?!
