tests taken result in failure, often just as a result of nerves on the day rather than due to bad driving. In addition, learner drivers may be spending much more money and time on repetitive lessons than they need to. This book shows you how to pass your driving test stress free and in fewer lessons, saving you lots of time money. Now you need to ask yourself: are you ready for that? If you already feel completely confident in your ability, believe that you can perform all the manoeuvres correctly, drive totally without your instructors help and guidance, and are totally confident in your ability to pass your test, then don't buy this book because you don't need it. However, if there is the slightest

This book details the findings of a research project investigating the social uses of literacy in a range of contexts in South Africa. This approach treats literacy not simply as a set of technical skills learnt in formal education, but as social practices embedded in specific contexts, discourses and positions. What this means is made clear through a series of fine-grained accounts of social uses and meanings of literacy in contexts ranging from the taxi industry in Cape Town, to family farms, urban settlements and displacement sites, rural land holdings, and various sites during

the 1994 elections, and among different sectors of South African society, Black, Colored and White. Since the view of literacy presented here is so dependent on context, the book provides not only descriptions of literacy practices but also rich insights into the complexity of everyday social life in contemporary South Africa at a major point of transition. It can be read as a concrete way of understanding the emergence of the New South Africa as it appears to actors on the ground, focused through attention to one central feature of contemporary life — the uses and meanings of literacy. “Using fascinating and carefully documented case-study material, this book raises vital questions
