Issues: Spider-Man/Deadpool 9-10, 13-14, 17-18 Rating: Itsy-Bitsy marks the conclusion of the Spider-Man and Deadpool team-up; at least for now. I personally have no doubt that they will be back (especially if the sales for this series were good). I have to confess; while I loved the first two volumes I felt that volume three was a bit lackluster.

Spider-Man Deadpool Vol. 2 has several different stories. The first is really silly with the pair getting a deal to make a Deadpool movie. They get caught up fighting an actor that looks surprisingly like Ryan Reynolds, and at the end Spidey suggests Reynolds should be hired to save the movie.
