The Stand is a post-apocalyptic dark fantasy novel written by American author Stephen King and first published in 1978 by Doubleday.The plot centers on a pandemic of a weaponized strain of influenza that kills almost the entire world population. The few survivors, united in groups, establish a new social system and engage in confrontation with each other.

The Stand - Wikipedia

THE STAND is Stephen King's apocalyptic vision of a world decimated by plague and embroiled in an elemental struggle between good and evil. The fate of mankind rests on the frail shoulders of the 108-year-old Mother Abigail (Whoopi Goldberg) and a handful of survivors.

The Stand – Limited Event Series Based On The Novel By ...

The Stand was epic in its original form, and this edition, with expanded story lines and restored cuts lives up to the original. All of Stephen King's books are excellent, but this one is a parable for modern times of the age-old battle between good and evil. Read it again if you have read it before.
