Ethical bodies have three main functions: (1) to provide information on counselling and psychotherapy services and set standards which give the general public confidence in the profession. (2) a route to complain if they feel dissatisfied with the service they have received from a counsellor.

Ethics in Counselling [PDF - Top 5 Counseling Assignment Tips]

Ethical considerations are more than polarised judgements of right and wrong. They involve exploring principles, morals and values behind a particular intent, intervention and action. The code sets out the fundamental principles that inform the National Counselling Society's (NCS) approach to ethical issues.

developments, Welfel's ETHICS IN COUNSELING AND PSYCHOTHERAPY prepares readers to deal effectively with the issues they will confront in practice. The book's ten-step model for ethical decision making guides students and practitioners as they work through and analyze complicated ethics cases that demonstrate some of the most challenging dilemmas they will face. Updated to integrate the new 2014 ACA Code of Ethics, this edition also explores how technology (including social networking) relates to ethical issues, and discusses the ethical issues that may arise when counseling clients from different cultural backgrounds, clients with disabilities, older adults, and clients at risk of harming others and themselves. The text familiarizes readers with the field's key scholarly writings and, by examining emerging ethical issues, enables students to advance beyond their basic awareness and knowledge of the professional codes of ethics. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"It is one thing to discuss these matters clearly and often, but it is another to make them living experiences for the reader. I am particularly impressed by the many ways in which the authors strive to involve the readers, whether it be by presenting dilemmas to consider or spelling out activities that highlight the points under

consideration. This not only is a book that students will read with interest and enthusiasm, it also is one that will make the task of the instructor clear and easier to accomplish."- George Stricker, PhD, Argosy University

The only text to integrate ACA and APA ethics standards and address ethical aspects of self-care This is the first textbook to integrate both ACA and APA standards of ethics for programs spanning both counseling and psychology disciplines. It provides a clear, comprehensive review of ethical standards and guidelines by the ACA and APA and distills the essence of both to find common ground for counselors and psychologists to understand and engage in ethical decision-making. The text also clarifies legal requirements at state federal levels, and facilitates critical thinking regarding the complex intersections of legal requirements and ethics codes in a way that is easily understandable. Focusing on key issues such as confidentiality, professional boundaries, professional and multicultural competence, social media, and situations with colleagues, the book is also unique in its inclusion of how ethical guidelines are impacted by self-care. Chapters engage readers with self-assessment questions, illustrative case vignettes, and discussion questions. A glossary of terms helps to clarify legal and ethical terminology and additional resources direct readers to more in-depth research. The text is ideally suited to meet the needs of both CACREP

Counselling In Action Series

and non-CACREP programs that train counselors who work in an interprofessional climate of mental health care . It is also useful for undergraduate programs in addiction and substance abuse services counseling. An Instructor's Manual provides additional value. Key Features: Reviews and integrates both ACA and APA ethical standards and guidelines Designed for both CACREP and non-CAPREP approved programs staffed by individuals representing both ACA and APA standards Focuses on confidentiality, professional boundaries, competence, social media, and responsibilities to colleagues Offers information on ethics of counselor self-care Includes case vignettes with discussion questions, self-assessment questions, glossary, and Instructor's Manual

This is your essential guide to standards and ethics in the psychological therapies. The book introduces you to key ethical values and principles and discusses how to practice in accordance with these. An accompanying online resource website provides you with over 30 videos showing commonly arising ethical dilemmas, further reading including book chapters and journal articles, and links to ethical codes and frameworks in the UK and internationally.

Focuses on the nuances of ethical and legal standards across

Get Free Standards And Ethics For Counselling In Action

Counselling In Action Series

disciplines Completely revised and updated to reflect the new 2014 ACA Code of Ethics and current ethics codes in psychology, social work, and marriage and family therapy. This unparalleled text guides helping professionals in the use of ethical decision-making processes as the foundation for ethical approaches to counseling and psychotherapy. The book focuses on ethical and legal challenges and standards across multiple professions emphasizing counseling, and including the professions of psychology, social work, and marriage and family therapy. It not only identifies relevant ethical issues in clinical mental health, rehabilitation, group, school, addictions counseling, and career counseling, it also addresses couple and family therapy, clinical supervision, and forensics. The text illuminates the particular application of ethical standards within each specialty. The book features five new sections that clearly define how ethical standards are interpreted and applied: Privacy, Confidentiality, and Privileged Communication; Informed Consent; Roles and Relationships with Clients; Professional Responsibility; and Counselor Competency. Under the umbrella of each broad topic, the particular nuances of ethical standards within each specialty are analyzed to facilitate comparison across all specialties and settings. The text also addresses current issues in office and administrative practices, technology, and forensic practice that are crucial to school,

Praise for Ethics in Psychotherapy and Counseling, Fourth Edition "A stunningly good book. . . . If there is only one book you buy on ethics, this is the one." –David H. Barlow, PhD, ABPP, Professor of Psychology and Psychiatry, Boston University "The Fourth Edition continues to be the gold standard. . . . a must-read in every counseling/therapy training program. It is that good and valuable." –Derald Wing Sue, PhD, Professor of Psychology and Education, Teachers College, Columbia University "A must-have for therapists at every step of their career from student to wise elder." –Bonnie Strickland, PhD, former president, American Psychological Association "This Fourth Edition of the best book in its field has much timely new material. . . . A brilliant addition is an exploration of how reasonable people can conscientiously follow the same ethical principles yet reach different conclusions . . . an essential sourcebook." –Patrick O'Neill, PhD, former president, Canadian Psychological Association "Essential for all practicing mental health professionals and students." –Nadine Kaslow, PhD, ABPP, President, American Board of Professional Psychology "I particularly enjoyed the chapter on ethical practice in the electronic world, which was informative even to this highly tech-savvy psychologist. The chapter on responses to the interrogations issue is destined to be a classic. . . . Bravo! Mandatory reading." –Laura Brown, PhD, ABPP, 2010 President, APA

Division of Trauma Psychology "There's no better resource to have at your fingertips." –Eric Drogin, JD, PhD, ABPP, former chair, APA Committee on Professional Practice and Standards and APA Committee on Legal Issues "Two of psychology's national treasures, Drs. Ken Pope and Melba Vasquez walk the walk of psychotherapy ethics. Simply the best book in its genre." –John Norcross, PhD, ABPP, Professor of Psychology and Distinguished University Fellow, University of Scranton

This book offers an introduction to values and ethics in counselling and psychotherapy, helping you to develop the ethical awareness needed throughout the counselling process. The book covers: – Context and emergence of ethics in counselling – Exercises to explore personal and professional values – Tools to develop ethical mindfulness – Differences between therapeutic models – Relational ethics – Ethical dilemmas and issues – Practice issues including confidentiality, boundaries and autonomy versus beneficence. Using in-depth case studies of counselling students, the author demonstrates the constant relevance of values and ethics to counselling and psychotherapy, equipping trainees with the tools to successfully navigate values and ethics in their professional practice.

This book prepares readers to deal effectively with the complex

ethical and legal issues they will confront in practice. Dr. Welfel provides a ten-step model of ethical decision making that guides students and practitioners as they work through and analyze complicated ethics cases that demonstrate some of the most challenging dilemmas that they will face. In this edition, Dr. Welfel provides the most current information on the market, including up-to-date coverage of the newly adopted ACA Code of Ethics and Standards of Practice and the APA Ethical Principles. The text also brings students past their basic awareness and knowledge of these professional codes of ethics by familiarizing readers with the field's key scholarly writings and by examining emerging ethical issues.

Self-care is critical for effective and ethical counseling practice and this inspirational book offers diverse, realistic perspectives on how to achieve work-life balance and personal wellness from graduate school through retirement. In addition to the authors' unique perspectives as professionals at different stages of their careers, guest contributors—ranging from graduate students, to new professionals, to seasoned counselors—share their experiences and thoughts about self-care, including what challenges them most. Both personal and conversational in tone, this book will help you to create your own practical self-care action plan through reflection on
