All important, sure, but now it can teach us something truly essential: the alphabet. Star Wars: ABC-3PO, a clever new book by Calliope Glass and Caitlin Kennedy with illustrations by Katie Cook, takes readers young and old on an A-to-Z exploration of the characters, creatures, and Unkar Plutts of a galaxy far, far away. With each letter, a poem tells a story about its subject (think " B for Boba Fett," etc.), accompanied by bright, fun, and often in-joke laden art by Cook.
