The Cestus Deception is a novel by Steven Barnes which was published by Del Rey in 2004. The book is part of the Clone Wars multimedia project. There is also a special bonus inside the book: The Hive, the exclusive story previously available in eBook format only. The HoloNet News story from...

The Cestus Deception | **Wookieepedia** | **Fandom**

The Cestus Deception is an overall good book, that seems to be the perfect mix of a Jedi centric book and a Travis Clone Commando book. I liked how many of the characters are spot on (maybe Kit Fisto seemed a bit off), but what seemed odd, that at the same time the characterization of organisations seemed off.

The Cestus Deception (Star Wars: Clone Wars Novel): Barnes...

The Cestus Deception by Steven Barnes - Goodreads

Star Wars – The Cestus Deception Audiobook. As the leaders of decline to capitulate and also Palpatine rapidly loses perseverance, Obi-Wan ’ s hopes of a serene resolution are dwindling. Now, facing a dilemma of principles, Obi-Wan needs to discover the wisdom and toughness to prevent a bloodbath as well as safeguard the Republic while following the old code to which he has promised his life.

Star Wars – The Cestus Deception Audiobook – Audiobooks (Free)

Deception in itself is an intriguing subject, considering that the entire galaxy is engulfed in a state of chaos, full scale war doesn’t touch Ord Cestus. Deceptions are the guns of war used on Ord Cestus... it plays out more like a Cold War scenario, which, in my opinion, made the book a gripping read.

Dispatched by the Republic to the planet Ord Cestus, where deadly battle droids are being manufactured, Obi-Wan Kenobi finds his diplomatic efforts to keep the droids out of Confederacy hands thwarted by a secret adversary, a situation that forces him to team up with a clone soldier. Reprint.

The Confederacy is trying to get its hands on some very special battle druids, and the Republic is determined to stop them, so Obi-Wan Kenobi is sent to the planet Ord Cestus, manufacturer of the druids. His mission: diplomacy. But if diplomacy doesn't work, he will use any means a Jedi can to help keep these potentially super-dangerous weapons out of enemy hands. And diplomacy can't work. Someone is pulling the manufacturing planet's strings - someone with an agenda all his or her own, which can't allow for either side to win control. As Obi-Wan and Jedi Master Kit Fisto uncover the secret plans layer by layer, Obi-Wan learns just how much he can trust a clone warrior...and just how reprehensible war can be, especially in the face of true honour.

“ Jedi Knight Obi-Wan Kenobi strides—and soars and plots and duels—again in this stirring new addition to the Star Wars saga. . . . This splendid adventure yarn offers a gut-wrenching surprise on nearly every page and a knock-the-socks-off ending. ” —Publishers Weekly
When the economically depressed government of Ord Cestus threatens to sell incredibly deadly battle droids to the Separatists, Supreme Chancellor Palpatine dispatches a team led by Jedi Knight Obi-Wan Kenobi to the planet. Their mission: to halt the deal. A peaceful resolution is preferable, but if all else fails, the Republic will not hesitate to demonstrate the consequences of disloyalty by launching a full-scale attack—wiping out not only the means of biodroid production but countless lives as well. The prospect of such a slaughter only fuels Obi-Wan ’ s growing suspicions about the sinister path the Republic seems to be taking. Facing a crisis of conscience, Obi-Wan must find the wisdom and strength to prevent a bloodbath and safeguard the Republic—while abiding by the ancient code to which he has pledged his life.

Science fiction roman.

The Confederacy is trying to get its hands on some very special battle droids, and the Republic is determined to stop them, so Obi-Wan Kenobi is sent to the planet Ord Cestus, manufacturer of the droids. His mission: diplomacy. But if diplomacy doesn't work, he will use any means a Jedi can to help keep these potentially super-dangerous weapons out of enemy hands. And diplomacy can't work. As Obi-Wan and Jedi Master Kit Fisto uncover the secret plans layer by layer, Obi-Wan learns just how much he can trust a clone warrior...and just how reprehensible war can be, especially in the face of true honour.

In this essential Star Wars Legends novel, Mace Windu must journey to his long-forgotten homeworld to confront a terrifying mystery with dire personal consequences. The jungle planet of Haruun Kal, homeworld of the legendary Jedi Master Mace Windu, has become a battleground in the increasing hostilities between the Republic and the renegade Separatist movement. The Jedi Council has sent Depa Billaba—Mace ’ s former Padawan and fellow Council member—to Haruun Kal to train the local tribesmen as a guerrilla resistance force. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle. . . . a recording in Depa ’ s own voice. Mace Windu trained Depa. Only he can find her. Only he can learn what has changed her. Only he can stop her. He will leave behind the Republic he serves, the civilization he believes in, everything but his passion for peace and his devotion to his former Padawan. And he will learn the terrible price that must be paid when keepers of the peace are forced to make war. . . .

Steven Barnes delivers the explosive follow-up to his groundbreaking alternate history novel Lion's Blood in Zulu Heart, a tale of racial unrest in a reimagined America circa 1860. Set in the late 1800s in an alternate universe in which Africa colonized the Americas, Zulu Heart continues the stories of two men from very different backgrounds. Kai is a politically important Ethiopian nobleman; Aidan, a white Irishman who was until recently Kai's slave. But just as the promise of freedom has separated these two men's fates, racial discourse is about to reunite them. A rebellion is building toward civil war. Loyalties are being drawn along the lines of homelands, namely Egypt and Ethiopia, and causing the New World to be torn into a North and a South—with Kai and Aidan caught in the crossfire.

Sent to aid a local dictator facing a revolution, Hallena Devis finds herself in danger as she is surrounded by belligerent freedom fighters at the same time Captain Gilad Pellaeon is facing a decision whether to rescue Hallena or stay true to the Republi

The bounty hunters introduced in "Shadows of the Empire", and who returned in "The Mandalorian Armor", come to life in this compelling new novel as Boba Fett battles a conspiracy, Bossk struggles to rule the other bounty hunters, and Kuat fights the maneuverings of Prince Xizor.
