successful statebuilding projects throughout the world.

This book examines the history of nation-building during the era of decolonization and the Cold War, and on the more recent post-Cold War and post-9/11 pursuit of nation-

# Bookmark File PDF State Building Governance And

World Order In The 21st Century Francis Oyama

building in what have become known as 'collapsed' or 'failed' states. In the post-Cold War and post-9/11 era nation-building, or what is increasingly termed state-building, has taken on renewed salience, making it more important than ever to set the idea and practice of nation-

# Bookmark File PDF State Building Governance And

World Order In The 21st Century Francis Ouyama

building in historical perspective.

Focusing on both historical and contemporary examples, the contributors explore a number of important themes that relate to 'successful' and 'unsuccessful' nation-building efforts from South Vietnam in the 1950s and 1960s to

# Bookmark File PDF State Building Governance And

East Timor, Afghanistan and Iraq in the twenty-first century. From Nation-Building to State-Building was previously published as a special issue of Third World Quarterly and will be of interest to students and scholars of comparative politics and peace studies.

# Bookmark File PDF State Building Governance And World Order In The 21st

This concise and accessible new text offers original and insightful analysis of the policy paradigm informing international statebuilding interventions. The book covers the theoretical frameworks and practices of international statebuilding, the

# Bookmark File PDF State Building Governance And

debates they have triggered, and the way that international statebuilding has developed in the post-Cold War era. Spanning a broad remit of policy practices from post-conflict peacebuilding to sustainable development and EU enlargement, Chandler draws out how these

# Bookmark File PDF State Building Governance And

policies have been cohered around the problematization of autonomy or self-government. Rather than promoting democracy on the basis of the universal capacity of people for self-rule, international statebuilding assumes that people lack capacity to make their own judgements safely

# Bookmark File PDF State Building Governance And

World Order In The 21st Century Francis Ouyama

and therefore that democracy requires external intervention and the building of civil society and state institutional capacity. Chandler argues that this policy framework inverts traditional liberal–democratic understandings of autonomy and freedom –

# Bookmark File PDF State Building Governance And

privileging governance over  
government – and that the  
dominance of this policy perspective  
is a cause of concern for those who  
live in states involved in statebuilding  
as much as for those who are subject  
to these new regulatory frameworks.  
Encouraging readers to reflect upon

# Bookmark File PDF State Building Governance And

the changing understanding of both state–society relations and of the international sphere itself, this work will be of great interest to all scholars of international relations, international security and development.

# Bookmark File PDF State Building Governance And

Shahar Hameiri argues that state building interventions are creating a new form of transnationally regulated statehood. Using case-studies from the Asia-Pacific, he analyzes the politics of state building and the implications for contemporary statehood and the global order.
