"Both creepy...and quite moving." —New York Times Book Review "Wall's story couldn't be more timely." —People *Stolen Innocence* is the gripping New York Times bestselling memoir of Elissa Wall, the courageous former member of Utah's infamous FLDS polygamist sect whose powerful courtroom testimony helped convict controversial sect leader Warren Jeffs in September 2007. At once shocking, heartbreaking, and inspiring, Wall's story of subjugation and survival exposes the darkness at the root of this rebel offshoot of the Mormon faith.

In this courageous memoir, Elissa Wall, the star witness against polygamous sect leader Warren Jeffs, tells her inspirational story of how she emerged from the confines of the Fundamentalist Church of Latter Day Saints (FLDS) and helped bring one of America's most notorious criminals to justice. Detailing how Jeffs's influence over the church twisted its already rigid beliefs in dangerous new directions, Wall portrays the inescapable mind-set which forced her to wed her first cousin at age fourteen, pressured her to follow Jeffs's directives, and, once she married, encouraged her to submit to her husband in "mind, body, and soul." For over three years she suffered at the hands of her husband, until one snowy night when a chance encounter with a stranger set in motion a friendship that eventually gave her the strength to break free of the church and come forward against Jeffs, so that girls still inside might be spared her cruel fate. More than a tale of survival and freedom, *Stolen Innocence* is the story of one heroic woman who stood up for what was right and reclaimed her life.

A tale of survival and freedom, *Stolen Innocence* is the story of one heroic woman who stood up for what was right and reclaimed her life.

Eleven-year-old Erin Merryn's life was transformed on the night she was sexually abused by her cousin, someone she loved and trusted. As the abuse continued, and as she was forced to see her abuser over and over again in social situations, she struggled with self-doubt, panic attacks, nightmares and the weight of whether or not to tell her terrible secret. It wasn't until a traumatic series of events showed her the cost of silence that she chose to speak out-in the process destroying both her family and the last of her innocence. Through her personal diary, written during the years of her abuse, Erin Merryn shares her journey through pain and confusion to inner strength and, ultimately, forgiveness. Raw, powerful and unflinchingly honest, *Stolen Innocence* is the inspiring story of one girl's struggle to become a woman, and a bright light on the pain and devastation of abuse. *Stolen Innocence* is written with conviction and clarity. [Erin Merryn] doesn't hold back, and I respect her honesty and openness...By the end of the book, I thought I was reading passages from a much older adult than a high school senior. Erin has grown into a strong, wise, intelligent, perceptive, spiritual, caring adult." —Susan Reedquist, The Children's Advocacy Center

A tale of survival and freedom, *Stolen Innocence* is the story of one heroic woman who stood up for what was right and reclaimed her life.

He was my religious teacher. I should have been able to trust him. But he made me do unspeakable things...

The dramatic first-person account of life inside an ultra-fundamentalist American religious sect, and one woman's courageous flight to freedom with her eight children. When she was eighteen years old, Carolyn Jessop was coerced into an arranged marriage with a total stranger: a man thirty-two years her senior. Merrill Jessop already had three wives. But arranged plural marriages were an integral part of Carolyn's heritage: She was born into and raised in the Fundamentalist Church of Jesus Christ of Latter-Day Saints (FLDS), the radical offshoot of the Mormon Church that had settled in small communities along the Arizona-Utah border. Over the next fifteen years, Carolyn had eight children and withstood her husband's psychological abuse and the watchful eyes of his other wives who were locked in a constant battle for supremacy. Carolyn's every move was dictated by her husband's whims. He decided where she lived and how her children would be treated. He controlled the money she earned as a school teacher. He chose when they had sex; Carolyn could only refuse at her own peril. For in the FLDS, a wife's compliance with her husband determined how much status both she and her children held in the family. Carolyn was miserable for years and wanted out, but she knew that if she tried to leave and got caught, her children would be taken away from her. No woman in the country had ever escaped from the FLDS and managed to get her children out, too. But in 2003, Carolyn chose

Download Free Stolen Innocence My Story Of Growing Up In A Polygamous Sect Becoming A Teenage Bride And Breaking Free Of Warren Jeffs

freedom over fear and fled her home with her eight children. She had \$20 to her name. Escape exposes a world tantamount to a prison camp, created by religious fanatics who, in the name of God, deprive their followers the right to make choices, force women to be totally subservient to men, and brainwash children in church-run schools. Against this background, Carolyn Jessop's flight takes on an extraordinary, inspiring power. Not only did she manage a daring escape from a brutal environment, she became the first woman ever granted full custody of her children in a contested suit involving the FLDS. And in 2006, her reports to the Utah attorney general on church abuses formed a crucial part of the case that led to the arrest of their notorious leader, Warren Jeffs.

Alicia Johnson, a strong, independent, well renowned Corporate Attorney for one of the largest law firms in Atlanta is a woman haunted by her past. The facade that she is forced to portray is unbeknownst to those closest to her in order to cover up a dark secret that she's had to deal with since childhood. Love and Men don't coincide in her world, being that relationships in her eyes only end in heartache and pain. Thinking that by changing her name and location that it would give her a fresh start, Alicia is able to enjoy life the only way she sees fit -- her way. That is until her past comes back to threaten her future. Her world is once again shaken when she finds out that the one person she has been trying to forget has made his presence known, with a vow to pay for sending him to prison. Caught in a web of love, hurt, and betrayal. Will Alicia find what she's looking for or will the events that rocked her childhood have the final say so in ruining her life?

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet's compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group's pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become “lost boys” when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.
