By default, all students are active when they are created in the Edgenuity system. However, there are times when a student may have been archived and will need to be re-enabled. Frequently Asked Questions: Will a student who is enabled have to restart a course from the beginning if s/he made progress in it before being archived?

Assignments, which follow the lesson, also serve as formative assessments. By providing corrective feedback, Edgenuity's formative assessments help students understand where their gaps in knowledge exist, and learn where additional practice or support is needed. Interim Assessments occur after students finish an Edgenuity lesson. The items for these assessments are drawn from an item bank, each aligned to a specific lesson objective.
