studying, writing essays or business reports, and taking exams Here we provide six guides to help you with your studies, writing assessments and exam preparation.

## **Study Guides | CIPD**

The easiest and most common form of study guide is the summary sheet. Simply start by summarizing important parts of your notes. Summary sheets are excellent for people will learn well by reading over material. They are particularly useful for history and literature classes with little memorization required.

## **Guide: 13 Steps (with Pictures)**

Whether it's a first test or a final exam coming up, creating a study guide helps you figure out what you already know and what you still need to study, focusing your efforts on the material you still haven't learned. At the same time, making a study guide is a form of studying itself, since it's a way of carefully reviewing all the material for a test.
