Benefits Break Down

The CNA Pretest has

Get Free Study Guide For

been designed to help you figure out where you are strongest and what subjects you need extra help with. This will ensure you spend the right amount of time on the right areas. The set of procedures in this CNA Study Guide have been developed to help you prepare for all of the different practical factors you will most

Get Free Study Guide For

likely have to perform during your Skill Test set. The procedures in this CNA Study Guide will help to ensure you can quickly flip through them and get the right information and quickly move on to the next set with the swipe of a finger (if you're using our ebook version) or turn of a page. Finally, at the end, we will have

Get Free Study Guide For

2 full practice tests so that you can gauge whether or not you are fully ready for your final certification. This will focus on key questions that many previous CNAs have struggled with and will focus on those areas so as to give you the best indication of whether or not you are truly ready.

Reasons Why You Need

Get Free Study Guide For

This CNA Study Guide
Getting prepared for the
CNA exam is no easy
task. According to a
result poll, over 27% of
those that take the test,
fail! That means those
students wasted their
money and their time.
This can be absolutely
frustrating and cause
many problems in the
future. Another reason
having a CNA Study

Get Free Study Guide For

Guide on hand is super important is that once you become a certified nursing assistant, you will only have certification for that particular state. So, if you move to another state at some point in your life, you will have to re-certify in that state. That may sound easy, considering you might have done it for years

Get Free Study Guide For

before
Nursing Aide

moving...however,
State Exam
imagine taking the

drivers test again after
all those years of

learning how to really
drive a car. You

probably don't follow all
of the rules, right? Well

the same can happen to
a CNA. They can

develop the "get it done
the right way" type

attitude which won't test
